About Dubai

The Emirate of Dubai is the seven United Arab Emirates but has the biggest population at over 2.1 million inhabitants. It is located on the southeast coast of the Persian Gulf and is the capital of Emirate of Dubai.

Education in Dubai covers the levels of primary, secondary and collegiate education. The school system in Dubai is not different from the education system in the United Arab Emirates. Public healthcare in Dubai has one of the best public health systems in the world, offering a high standard of medical care in state-of-the art facilities. It is run by the Dubai Health Authority (DHA), which oversees both public and private healthcare, and replaces the Department of Health and Medical Services (DOHMS).
