Invitation

Dear Attendees,

Meetings International proudly announces the ***International Conference on Medical Nursing and Health Care*** scheduled during ***April 29-30, 2022. | Osaka, Japan***

The Medical Nursing 2022 gathering provides a tremendous opportunity to discuss the latest advances in the field. It is a global arena where people and experts from various nursing fields, such as cardiovascular and pediatric crisis nursing, come together to meet and share eminent scientists about the development of nursing and health care from around the World. This conference provides representatives with the opportunity to meet and interact with students, deans, professors, and entry-level nurses from alternative nursing colleges and universities around the world. Join the most important sessions when it comes to issues affecting medical support for nursing and health care. The purpose of Medical Nursing 2022 is to provide an international technical forum to showcase Medical Nursing and recent advances in health and medicine. The Steering Committee of the Medical Nursing Society provides a platform where all emerging and young researchers can showcase their research and innovation.

Sincerely,

Explore Osaka

Osaka is Japan's second-largest metropolitan area after Tokyo. It has been the economic powerhouse of the Kansai Region for many centuries. Osaka was previously known as Naniwa. Before the Nara Period, whilst the capital was moved with the reign of each new emperor, Naniwa was once Japan's capital town, the first one ever known. In the 16th century, Toyotomi Hideyoshi chose Osaka as the place for his castle, and the city may have emerged as Japan's political capital if Tokugawa Ieyasu had now no longer terminated the Toyotomi lineage after Hideyoshi's death and moved his government to remote Edo (Tokyo). Osaka is a large port city and commercial center on the Japanese island of Honshu. It's recognized for its modern architecture, nightlife, and hearty street food.

The 16th-century shogunate Osaka Castle, which has undergone several restorations, is its major ancient landmark. It's surrounded by a moat and park with plum, peach, and cherry blossom trees. Sumiyoshi-Taisha is among Japan's oldest Shinto shrines.

Osaka is a port city, and historically the merchant capital of Japan.

Osaka, city and capital of Osaka fu (urban prefecture), south-central Honshu, Japan. The city, together with its neighbouring city Kobe and nearby Kyoto, are the centres of the Keihanshin Industrial Zone, the second largest urban and industrial agglomeration in Japan.
