Invitation

Welcome to Chicago City, and experience the science of Psychiatry & Psychology illuminated as never before. EuroSciCon is proud to host the 3rd International Conference on Mental Health on November 07-08, 2019 in Chicago, USA. This year's theme is "Challenges in Mental Illness & development of integrated mental health services". Mental Health2019 will provide an unprecedented opportunity for researchers of all stripes and colours to share their research with colleagues, and discuss and debate the latest advances in the field. We invite researchers, academicians, industry professionals and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Conference is the perfect venue not only to dive into your particular Psychiatry & Psychology interests but also to expand the scope of your knowledge. Tracks are devoted to subjects such as the Psychiatry, Psychology, Addiction Psychiatry, Mental Health Disorders, Physical Medicine And Rehabilitation, Anxiety And Depression, Child And Adolescent Psychiatry, Geriatric Psychiatry, Schizophrenia, Clinical Psychology, Neuropsychiatry, Anti-Psychiatry, Clinical Neuropsychology, Psychological Disorders, Psychotherapy Treatment, Psychology Health, Sleep Disorders, Socioeconomic Status.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas.
