We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ psychiatrist's, Doctors, Scientists, Students Technologists accessing the website, EuroSciCon Mental Health & Psychiatry 2020 is the most lucrative platform for researchers, academicians and other professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Mental Health & Psychiatry 2020 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's

Problems, Situations & Solutions regrading mental health and pyschiatry

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

July 15-16, 2020
Vienna, Austria

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Who'd be attending?

EuroSciCon Conference on 4th Edition of International Conference on Mental Health & Psychiatry plays host for the Multinational organizations, psychiatrist's across the globe, the researchers and academicians. Prominently psychiatrist's, Scientists, Students and others who stay plunged in learning and practice in the Mental Health & Psychiatry.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 19 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Mental Health
- Women's Mental Health
- Stress, Anxiety and Depression during pregnancy
- Sexual Abuse and substance use disorders
- Child Abuse

- schizophrenia
- Stress & Traumatic Disorders
- Anxiety Disorders
- Depression
- Suicide and Self harm
- Cancer's effect on mental health
- Autistic Spectrum Disorder
- Mental Health and rehabilitation
- Human Resilience

EuroSciCon

About Destination Vienna

Vienna is one of the most visually stunning cities in Europe, it is full of wonderful art and architecture, with countless museums, palaces, and elegant parks testifying to its wealth and beauty.

Both the capital and culture center of the country, Vienna was once the seat of the Hapsburg dynasty; the Emperors and Empresses were great patrons of the arts, sciences, and music. As such, there are loads of amazing art collections to explore.

Top Attractive Places to Visit in London

The city is covered with many famous tourist attractions like the Hofburg palace, Schonbrunn Palace and Gardens, The Belvedere Palace, Vienna Zoo (Tiergarten Schönbrunn) and many other historical places which make the visitors more captivated towards the city.

The Hofburg Palace: A century ago Vienna was the centre of a mighty empire. The Hofburg was the home of the Habsburgs until 1918 – one of the largest and grandest palaces in the world, it looks a little like a huge, iced cake. Today you could happily lose yourself here for days.

Wiener Riesenrad : You can see Vienna's giant ferris wheel for miles around. Towering 200ft over the Prater park, it's a gorgeously gaudy fin-de-siècle landmark, built in 1897 to mark Emperor Franz Joseph's 50 years on the throne.

St. Stephen's Cathedral : The symbol of the city, no less. Built in the 12th century, St. Stephen's is the fixed point around which Vienna turns – and if you climb the 343 steps to the top of its mighty Gothic tower, you'll be rewarded with unforgettable views.
