EuroSciCon Conference on

# VIROLOGY AND INFECTIOUS DISEASES

**April 22-23, 2019**
**Athens, Greece**

EuroSciCon

# Agenda Day 1: April 22, 2019

**08:30-09:00** **Registration**

**09:00-09:30** Opening Ceremony

**Keynote Session**

09:30-10:15 **Title: Telomerase regulation in HIV pathology and therapeutic advances**
**Smith Sonneborn Joan,** University of Wyoming, USA

10:15-11:00 **Title: The virology of the final stages of polio eradication**
**Philip Minor,** NIBSC, UK

**Group Photo**

**Coffee Break 11:00-11:20 @ Foyer**

11:20-12:05 **Title: Motivational text messages as a support strategy in health education to prevent infectious diseases in patients with type -2 Diabetis**
**Adriana Carolina Vargas-Ojeda,** Universidad Autonoma de Baja California, Mexico

**Session Introduction**

**Bacterial Virology | HIV/AIDS And Other Emerging Viruses | Health Care - Infectious Diseases | Virology And Viral Diseases | Deadliest Viruses | Virology And Viral Diseases | Development Of Antivirals | Epidemiology Of Virus | Current Focus In Virology Research | Diagnosis And Treatment Of Infectious Diseases**

**Session Chair - 01: Wanderley de Souza,** Federal University of Rio de Janeiro, Brazil

**Session Chair - 02: Yehuda Stram,** Kimron Veterinary Institute, Israel

**Session Co-Chair: Robert Penchovsky,** Sofia University, Bulgaria

12:05-12:35 **Title: Stress may influence host response following surgery, Can we predict postoperative infection what is beneficial or harmful?**
**T.Mozes,** Military Hospital, Hungary **Kovacs Lukacs**, Semmelweis University, Hungary

12:35-13:05 **Title: AIDS process from an evolutionary perspective**
**Vladimir Zajac,** Cancer Research Institute BMC SAS, Slovakia

**Lunch Break 13:05-14:00 @ Ruby Restaurant**

14:00-14:30 **Title: Videodrop by Myriade: A new way to "see" viruses in a droplet**
**Luc Talini,** Myriade, France

14:30-15:00 **Title: Endolysins, autolysins and antimicrobial peptides: Alternatives to conventional antibiotics**
**Magdalena Plotka,** University of Gdansk, Poland

15:00-15:30 **Title: Life conditions and infectious diseases: A correlation analysis from mega clinica 2015-2018**
**David S. Salas-Vargas,** School of Health Sciences at UABC, Mexico

**Coffee Break : 15:30-15:50 @ Foyer**

15:50-16:20 **Title: Engineering antisense oligonucleotides as antibacterial agents**
**Robert Penchovsky** and **Aikaterini Valsamatzi,** Sofia University, Bulgaria

16:20-16:50 **Title: The importance of lumpy skin disease virus LSDV126 gene in cattle vaccination, infections, differential diagnosis and epidemiology**
**Yehuda Stram,** Kimron Veterinary Institute, Israel

16:50-17:20 **Title: Characterization of cytomegalovirus infection on hematopoietic stem cell transplantation patients: Experience in a public Mexican hospital**
**Diana Perales Martinez,** Hospital Regional de Alta Especialidad del Bajio(HRAEB), Mexico

17:20-17:50 **Title: The antibacterial efficacy of magnetic microcomposites against antibiotic resistant staphylococci**
**Gannu Praveen Kumar,** Sahasra Institute of Pharmaceutical Sciences, India

| | |
|---|---|
| 17:50-18:00 | **Question Time**<br>**Chairman's Summing Up** |

**Panel Discussion**

# Agenda Day 2: April 23, 2019

**Hall Name: Attica AB**

**Keynote Session**

**08:30-09:00 Registration**

| | |
|---|---|
| 09:00-09:45 | **Title: Electron microscopy as a valuable tool to identify potential new drug targets for diseases caused by protozoa of the Trypanosomatidae family**<br>**Wanderley de Souza,** Federal University of Rio de Janeiro--Rio de Janeiro, Brazil |
| 09:45-10:30 | **Title: Cross resistance is cause for multi-drug resistant among soil flora**<br>**A. Murugan,** Periyar University, India |

**Coffee Break 10:30-10:50 @ Foyer**

**Session Introduction**

**Viral Oncology | HIV/AIDS and Other Emerging Viruses | Blood Infectious Diseases | Vaccines and Vaccination | Microbial Physiology and Genomics | Antimicrobial/Antibiotics/Antibacterial**

**Session Chair: William Whitford,** GE Healthcare, USA

**Session Co-Chair: Magdalena Plotka,** University of Gdansk, Poland

| | |
|---|---|
| 10:50-11:20 | **Title: Challenges and update of opportunistic infections in oncological population**<br>**Dongfeng Tan,** University of Texas MD Anderson Cancer Center, USA |
| 11:20-11:50 | **Title: Cervical, vulvar and vaginal cancer prevalence and incident lesions in HIV-infected Mexican women**<br>**Diana Perales Martínez,** Hospital Regional de Alta Especialidad del Bajio(HRAEB), Mexico |
| 11:50-12:20 | **Title: Role of RBC parameters in discriminating between iron deficiency anaemia and anaemia of chronic diseases**<br>**Reena Bhaisare,** Jawaharlal Nehru Hospital and Research Centre Bhilai, India |
| 12:20-12:50 | **Title: Human adenovirus type 7 infection induced pneumonia was associated to functional impairment of peripheral CXCR5+CD8+ T cell**<br>**Wei-Wei Chen,** Treatment and Research Center for Infectious Diseases, China |

**Lunch Break 12:50-13:40 @ Ruby Restaurant**

| | |
|---|---|
| 13:40-14:10 | **Title: Intensified cell-based vaccine manufacturing**<br>**William Whitford,** GE Healthcare, USA |
| 14:10-14:40 | **Title: Barriers to breastfeeding experienced by HIV-positive mothers at a non-governmental health centre, Limpopo**<br>**Patrone Rebecca Risenga,** University of South Africa, South Africa |
| 14:40-15:10 | **Title: Adherence issues in adolescents and young adults with HIV**<br>**Elizabeth Secord,** Wayne State University, USA |
| 15:10-15:40 | **Title: Genetic diversity of Iranian isolates of Burkholderia mallei by PFGE and PCR-MLVA**<br>**Nader Mosavari,** Razi Vaccine and Serum research Institute, Iran |

**Coffee Break 15:40-16:00 @ Foyer**

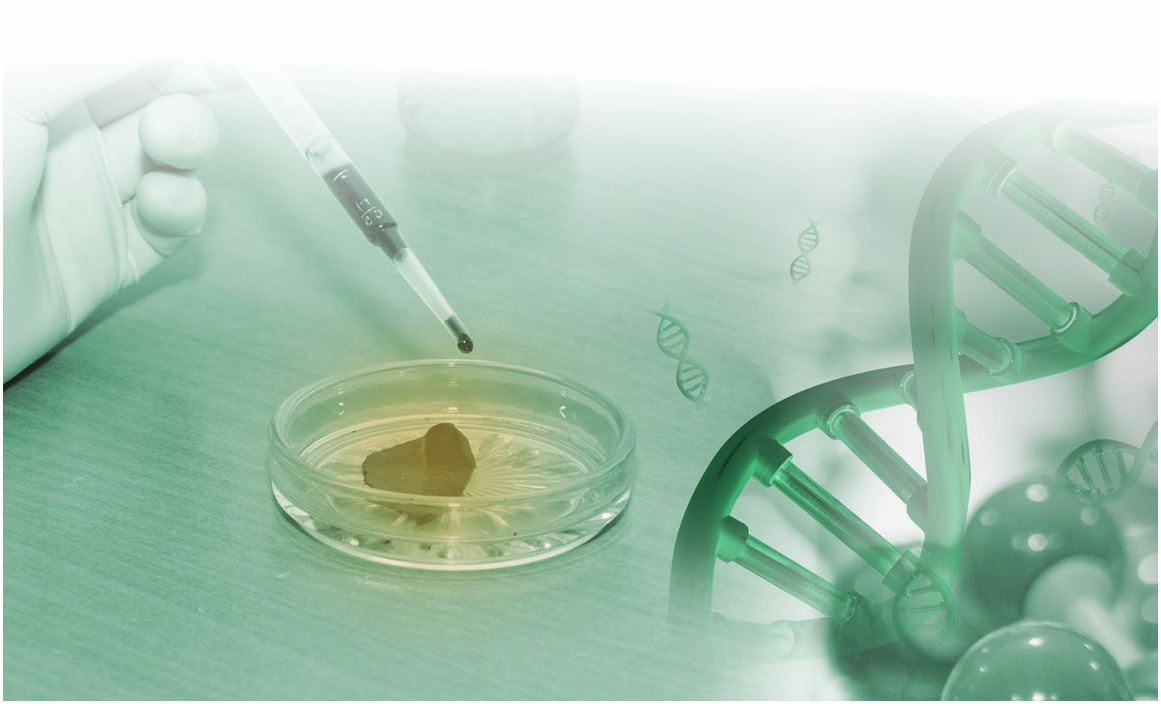

**Poster Presentation 16:00-16:30**

| | |
|---|---|
| VI - 01 | **Title: The detection of bovine coronaviruses in fecal and nasal specimens from cattle in Turkey**<br>**Secil Sevinc,** Ankara University, Turkey |

| | |
|---|---|
| VI - 02 | **Title: New phospholips analogues as candidates to an anti T. cruzi chemoterapy: In vitro test and ultrastructural analysis**<br>**Emile Barrias,** Federal University of Rio de Janeiro, Brazil |
| VI - 03 | **Title: PCR detection of *Staphylococcus aureus* and *mecA* gene in patients with invasive infections**<br>**Virna-Maria Tsitou,** Medical University of Sofia, Bulgaria |
| VI - 04 | **Title: Identification of oncolysis effect in colorectal cancer cells by orf virus strain NA1/11 *in vitro* and *in vivo***<br>**Shuhong Luo,** Foshan University, China |
| 16:30-17:00 | **Question Time** |
| 17:00:00 | **Networking Session and Chairman's Summing Up** |

**Poster Judge: William Whitford, GE Healthcare, USA**

**Awards Function & Closing Ceremony**

**Mark your calender**

## 2nd Euroscicon Conference on
# Virology

March 16-17, 2020 | Osaka, Japan

Email: virology@lifesciencemeeting.com

Website: https://virology.euroscicon.com/

## International Conference on
# Epidemiology and Infectious Diseases

September 16-17, 2019
Seoul, South korea

Email: director.katherine@outlook.com
