4TH INTERNATIONAL MICROFLUIDICS CONGRESS

MARCH 25-26, 2020 | MIAMI, USA

Microfluidics 2020

Invitation

Dear Attendees,

Meetings International proudly announces the 4th International Microfluidics Congress scheduled during March 25-26, 2020 in Miami, USA. The conference emphasizes the theme "Driving the future with microfluidics & biomems".

The purpose of this conference is to provide an international technical forum to showcase recent advances in Microfluidics, BioMEMS, and Medical microsystems. Microfluidic devices and systems have created a tremendous interest in many application fields, including life sciences, Point of care diagnostics, and environmental applications. The conference aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Microfluidics and its development. There is an extensive international perspective at this conference with speakers, poster presenters, sponsors, and exhibitors from Europe, US, and Asia/Pacific.

Sincerely,

Operating Committee

Meetings International

Conference Highlights

- Applications of Microfluidics & Lab-on-a-Chip
- Droplet-based, Digital, Centrifugal Microfluidics
- Point-of-Care & Biosensors
- Wearables & Mobile Diagnostics
- Micro-chemistry and Micro-systems
- Nano-channel, Micro-channel and Mini-channel
- Bio-fabrication & Bio-manufacturing
- Optofluidics, Plasmonic and Bioimaging Devices
- Acoustic Droplet Ejection
- Tissues-on-a-Chips and 3D Cell Culture Systems
- Point-of-Care Diagnostics and Global Health
- Microfluidics Simulation

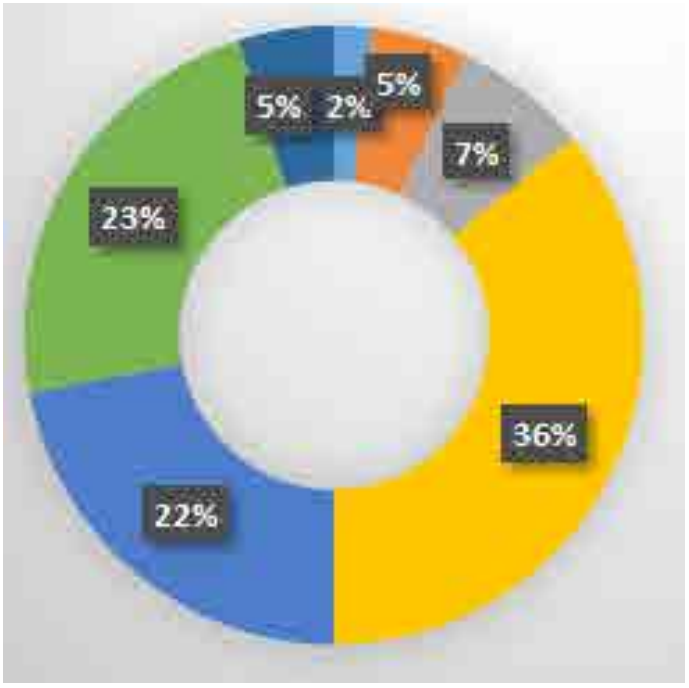

To identify the future directions of research

Peer review and high quality publication

Quality research

Explore Miami

Miami is an international city at Florida's southeaster tip. Its Cuban influence is reflected in the cafes and cigar shops that line Calle Ocho in Little Havana. On barrier islands across the turquoise waters of Biscayne Bay is Miami Beach, home to South Beach. This glamorous neighbourhood is famed for its colourful art deco buildings, white sand, surfside hotels and trendsetting nightclubs. Miami is one of the states – and the worlds – most popular vacation spots. Though destinations often are said to offer something for everyone, the Miami area does indeed offer multiple enticements for everyone.
