Dear Colleagues

Meetings International extends its welcome to "**International Conference on Molecular Biology**" scheduled on **June 15-16, 2022 at Vancouver, Canada** with the theme of "**EXAMINE THE EXPLORATION & IMPENDING MOVEMENTS OF MOLECULAR BIOLOGY.**"

Molecular Biology 2022 will be a platform for plenary speakers, Keynote speakers, Invited speakers and Young Researchers as well as for the youth generation. The summit will work as a discussion point for researchers and experts from all around the world to discuss the cause, effect, prevention as well asthe future roadmap of a cancer free society.

Conference Highlights :

- Molecular Biology Techniques
- Computational Molecular Biology & Biochemistry
- Next Generation DNA Sequencing
- DNA Replication & Recombination
- Sequencing & Micro-arrays
- Molecular Biology & Biomarkers
- RNA Processing & Protein Synthesis
- Recombinant DNA Technology
- Clinical Biochemistry
- Proteomics in Biochemistry & Molecular Biology

About Vancouver

Vancouver, a bustling west coast seaport in British Columbia, is among Canada's densest, most ethnically diverse cities. A popular filming location, it's surrounded by mountains, and also has thriving art, theatre and music scenes. Vancouver Art Gallery is known for its works by regional artists, while the Museum of Anthropology houses preeminent First Nations collections. Vancouver is among the world's most beautiful cities. It's also often considered one of the most liveable, thanks to its well-balanced mix of modern urban features and magnificent natural surroundings. The city acts as a gateway to Canada's great outdoors, be it along the Pacific Coast or up in the Pacific Ranges. Within an hour's drive out from Vancouver's high-rise downtown hub, you hit gorgeous beaches and forested mountains. Starting at the striking waterfront landmark of Canada Place, you can explore the city's beloved outdoor attractions, such as Queen Elizabeth Park, or head north from the famous Stanley Park and across Lions Gate Bridge to the peak of Grouse Mountain. life.
