

EuroSciCon

Las Vegas , USA
March 16-17, 2022

2nd International Conference on

Nanomaterials and Nanotechnology

Las Vegas , USA | March 16-17, 2022

Theme: Invention and innovation of new concepts in the field of materials science & nanotechnology

EuroSciCon

Nanomaterials

2022

Invitation

EuroSciCon is organizing meeting on International conference on
2nd International Conference on Nanomaterials and Nanotechnology is scheduled from March 16-17, 2022 Las Vegas , USA. EuroScicon is the UK based independent life science Events Company with predominantly business and academic client base.

The 2022 meeting promises to be a dynamic and informative event and going to explore the issues on work related factors, innovations and integrated approaches towards recycling, the speakers are a multidisciplinary gathering of globally perceived specialists that speak on the Recycling with a theme on Invention and innovation of new concepts in the field of materials science & nanotechnology

This is 2-day Meeting and you can participate in a number of educational formats including General Sessions, Poster Presentations, and Workshops/Symposium, Meet-the-Professor Sessions, Oral Presentations and other interactive and informal exchanges.

Scientific Sessions:

- Biotechnology
- Vaccine Development for Covid-19
- Novel drugs and Delivery systems
- cancer immunotherapy
- Biomedical Engineering & Applications
- Biomaterials And Regenerative Medicine
- food technology
- Nanobiotechnology
- Industrial Biotechnology
- Biochemical Engineering
- Regenerative Medicine
- 3D-Bioprinting & Biofabrication Technologies
- Enzyme & Protein Engineering
- Environmental Biotechnology
- Human Genomics
- Bioproducts And BioEnergy
- Genetic Engineering & R-DNA Technology
- Bone Marrow Transplantation
- Plant, Animal & Agriculture Biotechnology
- Biopolymers
- BioInformatics
- Gene Editing and Gene Therapy
- Biophotonics and Biosensors
- Marine Biotechnology

We trust you will discover the Meeting beneficial, enlightening and agreeable. We want to thank all

EuroSciCon

A Transformational Learning Experience

1. Curated to address the concerns of today's scientific world
2. Be inspired by some of the world's most renowned figures
3. Stimulate new ways of thinking and provoke action.
4. Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

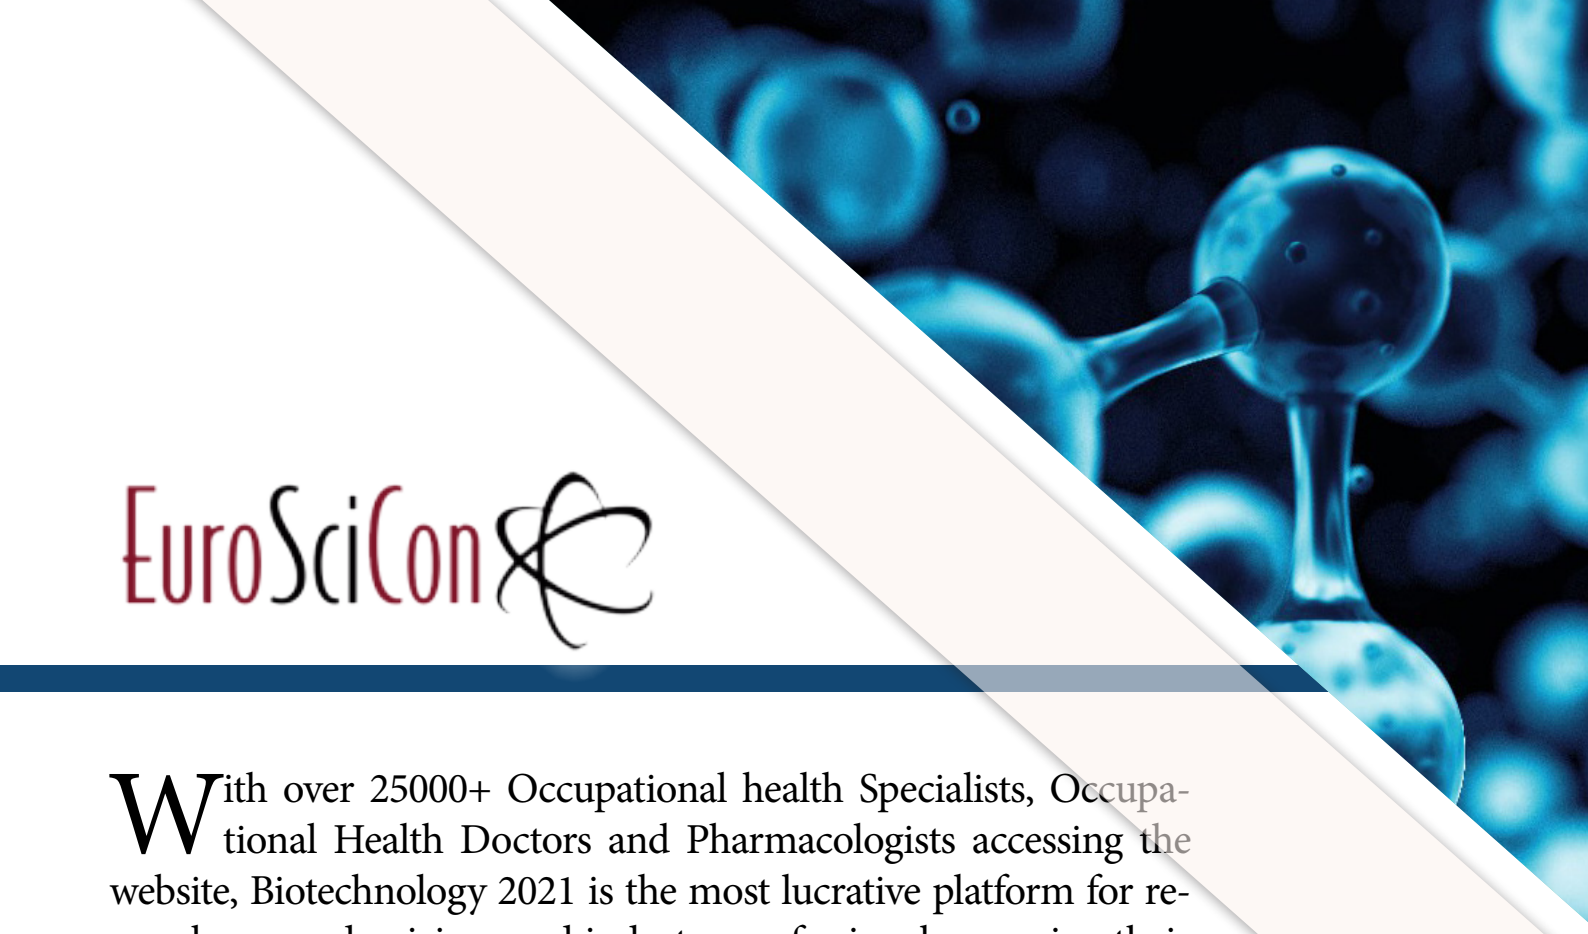

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Occupational health Specialists, Occupational Health Doctors and Pharmacologists accessing the website, Biotechnology 2021 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better. outreach of the work and profile.

Nanomaterials-2022 Salient Features:

In a world of information overload, we focus on the issues most relevant to today'stechnical trends enabling our patrons to Congregate with most senior executives Nurture connexions Agenda format which incorporates ample Q&A time Partake in our revamped exhibitor expo sessions Meet and listen to the relevant clients Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

Who'd be attending?

2nd International Conference on Nanomaterials and Nanotechnology proudly hosting for the Multinational Organizations, Multinational organizations, entrepreneurs across the globe, Researchers, Professors, Scientist Laboratory Director, Biomedical/Chemical/Biotechnology experts and academicians and others who stay plunged in learning and practice of the Material science and Nanotechnology

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Business Key Topics:

- Nanomaterials Market in Asia
- Nanomaterials Market in Dubai
- Nanomaterials Market in Europe
- Nanomaterials Market in Japan
- Nanomaterials Market in UK
- Nanomaterials Market in USA
- Materials exhibition
- Materials expo
- Materials industries
- Metallurgy industries
- Micromachines manufacturers
- Molecular manufacturing
- Nano pharmaceuticals production
- Nanochips producers
- Nanomachines Exporters
- Nanomaterials Expo
- Nanomaterials Laboratories
- Nanoelectronics producers
- Nanomachnine exporters
- Nanomechanical industry
- Nanomaterials Exhibitions
- Nanomaterials Laboratories

Academic Key Topics:

- Nano Sensors in Defense and Military
- Nanotherapies For COVID-19 Management
- Genomics
- Bionanotechnology
- Proteomics
- Nanoparticles in COVID-19 Testing
- Nanocomposite based dental Filling Materials
- Impacts of Nanotoxicology in Nanomaterials
- Developments for applications in space
- Pyrolysis
- Ceramic Fibers
- Nanotech in disinfected water
- Mobile Robots And Uncrewed Vehicles
- Emerging technologies
- Robotics
- Food Industry
- Nano chemistry and Wet Nanotechnology
- Nanorobot Race
- genetic Transformation Of Plants
- Nano-Fertilizers
- Hydrophobic Nanotechnology
- Organic Electronics
- Optical Fibers
- An Overview of Photonic Systems
- Optical And Magnetooptical Storage
- Nanorobotics in Surgery
- Gene Therapy
- Cellular Engineering
- DNA Nanotechnology
- Gold Nanoparticles And Biosensors

About Destination Las Vegas, USA

Las Vegas often known simply as Vegas, is the 26th-most populous city in the United States, the most populous city in the state of Nevada, and the county seat of Clark County. The city anchors the Las Vegas Valley metropolitan area and is the largest city within the greater Mojave Desert. The city bills itself as The Entertainment Capital of the World, and is famous for its mega casino-hotels and associated activities. It is a top three destination in the United States for business conventions and a global leader in the hospitality industry, claiming more AAA Five Diamond hotels than any other city in the world. Today, Las Vegas annually ranks as one of the world's most visited tourist destinations. Various new businesses have moved to Las Vegas in late many years. Online shoe retailer Zappos.com (presently an Amazon auxiliary) was established in San Francisco yet by 2013 had moved its base camp to downtown Las Vegas. The city is home to a few galleries, including the Neon Museum (the area for a large number of the chronicled signs from Las Vegas' mid-twentieth century prime), The Mob Museum, the Las Vegas Natural History Museum, the DISCOVERY Children's Museum, the Nevada State Museum and the Old Las Vegas Mormon Fort State Historic Park.
