Global summit on

Nano medicine

October 18, 2021 | Zurich, Switzerland

Theme: NANO BASED DRUG DELIVERY SYSTEMS: LATEST INNOVATIONS AND FUTURE PROSPECTS.

https://www.meetingsint.com/conferences/nanomedicine

Dear All,

International Conference on Nano medicine is going to be held on October 18, 2021 at Zurich, Switzerland. The theme of the conference is “Nano based drug delivery systems: latest innovations and future prospects”. Since the appearance of engineering science, there has been an amazing growth during this field of Nano-bio-technology. Several merchandise introduced into the market square measure supported Nano-bio-technology and square measure helpful to atmosphere watching, fast medicine, diseases watching, diseases management, and customized health care. The final word aim of this approach is to create a far better and healthier tomorrow for everyone. Nano Medicine 2021 can cowl the foremost recent international developments within the field of Nano biotechnology and Nano medicine. Participants can get a whole summary on the state of the art in these fields and on the analysis applied and also the latest results. Recent advances, difficulties and breakthroughs still as rising and future trends of the joining fields of engineering science, Biotechnology and medication are going to be mentioned.

Sincerely,

Organizing Committee

Nano Medicine 2021.

About The Company

Meetings International (Meetings Int.) is a global leader in producing high quality conferences, meetings, workshops and symposia in all major fields of science, technology and medicine. Since its inception, Meetings Int. has been associated with national and international associations, corporations and high level individuals, dedicated to host world class conferences and events.

SCIENTIFIC SESSIONS..

- Nanomaterial for Drug Delivery
- Nano Pharmaceutical Industry and Market
- Nanotechnology and Biomedical Applications
- Personalized Nano medicine
- Design of Nano drugs
- Cancer and Nanotechnology
- Nano robotics
- Drug Delivery Research
- Computational Studies in Nanoparticles

Target Audiences...

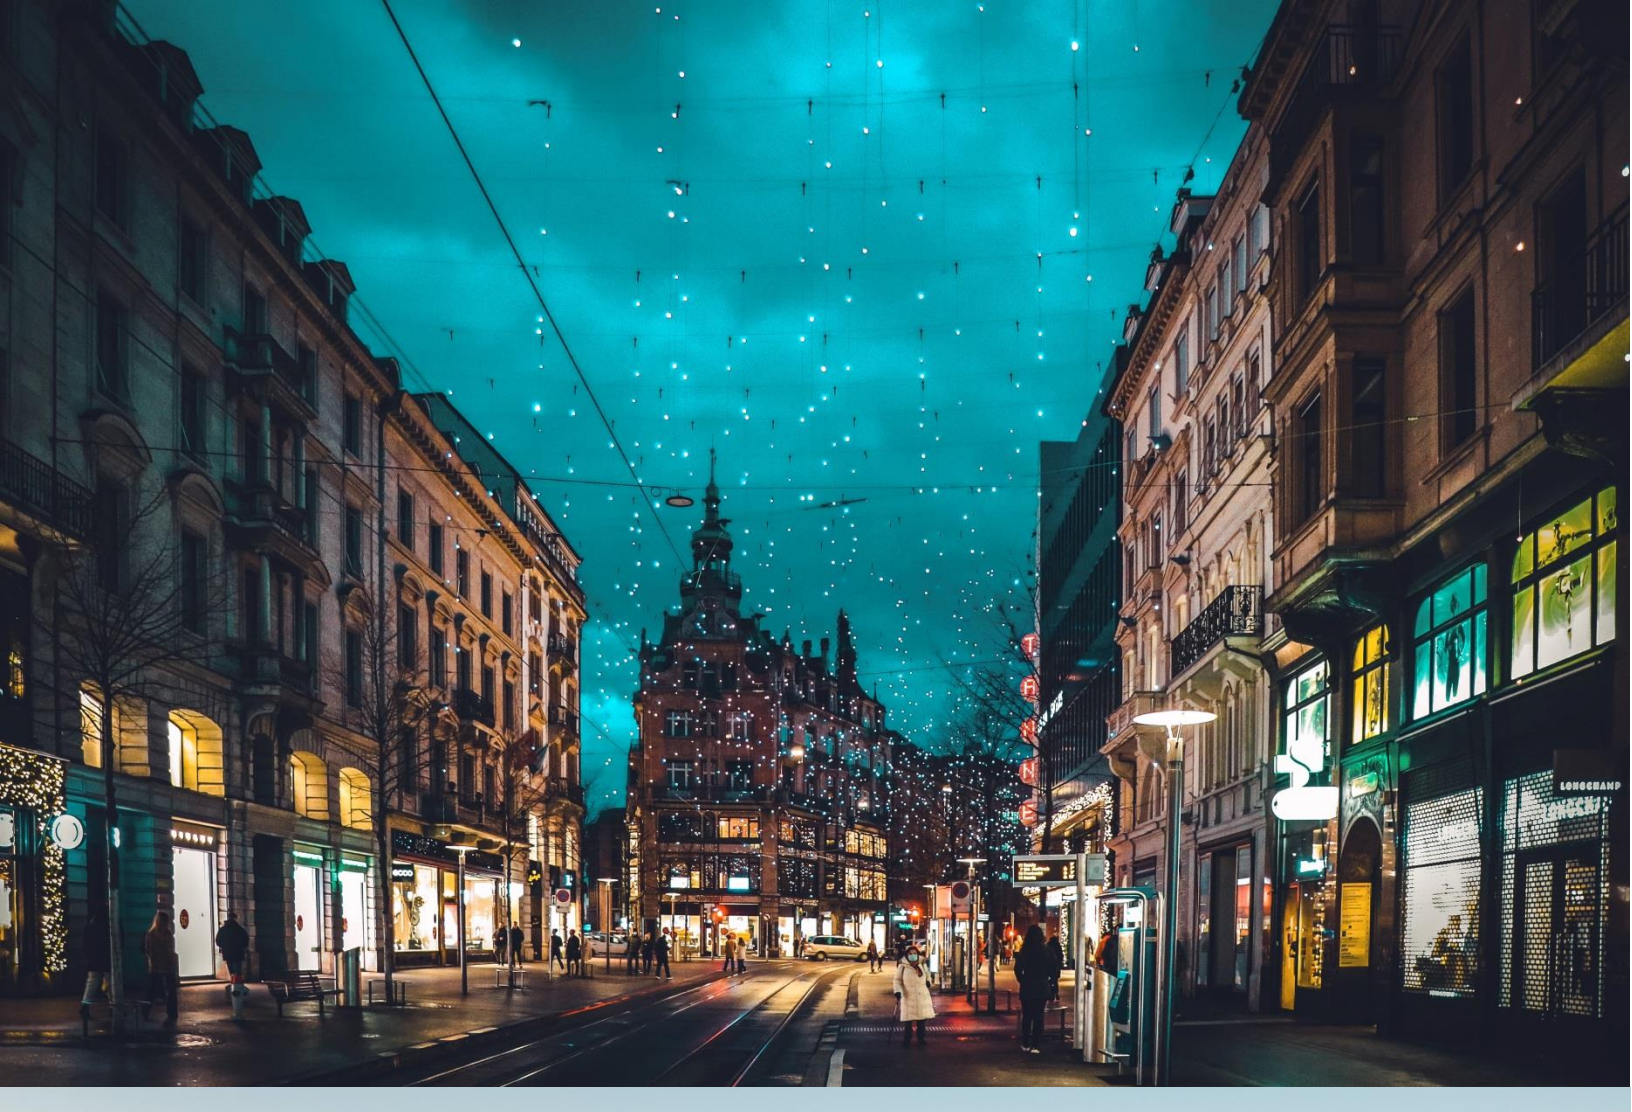

- All the Stake Holders (both Academia & Industry) of the Sector
- Researchers & Innovators
- Engineers
- Experts Looking for Collaborative Work
- Product Developers
- Solution Providers
- Sales & Marketing Professionals
- Associations, Societies, & Professional Bodies
- Funding Agencies & Fund Raisers
- Management Bodies
- Decision Makers

About Zurich

The city Zurich is located in north-central Switzerland at the north-western tip of Lake Zurich. The Greater Zurich Area is Switzerland's economic center and home to many international companies. Zurich was ranked as having the 11th most competitive financial center in the world, and second most competitive in Europe after London. The headquarters of Swiss Bank is located in Zurich and there are numerous foreign banks in the Greater Zurich Area. Around 60,000 people study at the 20 universities, colleges and institutions of higher education in Zurich. Two of Switzerland's most distinguished universities are located in the city, thus enabling access to graduates and high technology research. Top Visiting Places in Zurich: The focal point of Zurich and a favorite playground for tourists and locals is the long Lake Zurich. After Lake Geneva, Lake Neuchatel, Lake Constance and Lake Lucerne, Lake Zurich is one of the "Big Five" in terms of lakes in Switzerland. The place Old Town in Zurich that tell the exciting history of the city, see the beautiful parks and green spaces in the middle of the Old Town and enjoy the breath-taking views from the numerous overlooks, and you will experience Zurich's true character and beauty. Swiss National museum showcasing the cultural history of all Switzerland. It is by far the most important collection of Swiss historic and cultural artifacts - more than 820,000 of them, covering a wide range of subjects from prehistory through the 20th century. Art lovers may also want to visit the Kunsthaus Zurich with its masterpieces and the Rietberg Museum, Switzerland's biggest museum of non-European cultures. The Gross Munster church is a landmark of Zurich. Legend has it that the church was built on the graves of the city's patron saints, Felix and Regula. Zoo Zurich is a popular family attraction all year round. Mountain Uetliberg in Zurich, from where you have beautiful views of the city and lake – and perhaps even a glimpse of the Alps.

LONGCHAMP

Important Updates

Abstract Submission Deadline: October 01, 2021 Early

Bird Registration Deadline: October 10, 2021

Pre-Webinar Registration Deadline: October 17, 2021
