Explore Edinburgh

Edinburgh is the capital of Scotland and it is located in central eastern Scotland, near the Firth of Forth, close to the North Sea. Thanks to its spectacular rocks, rustic buildings and a huge collection of medieval and classic architecture, including numerous stone decorations, it is often considered one of the liveliest cities in Europe. Edinburgh is not only one of the most beautiful cities in Europe; it is a city with a fantastic position. The view falls on all sides – green hills, the hint of the blue sea, the silhouettes of the buildings and the red cliffs. It is a city that calls you to explore it by foot – narrow streets, passageways, stairs and hidden church yards on every step will pull you away from the main streets.
