Invitation

Nanotechnology 2020

Dear Attendees,

Meetings International proudly announces the 18th International Conference on Nanotechnology and Nano Engineering scheduled during August 24-25,2020 in Berlin,Germany. The conference emphasizes the theme "The rising era of nanotechnology & nanoengineering".

Nanotechnology 2020 provides an International dais for Scientists and Health care and Medical professionals to Exchange Ideas, Knowledge and Networking at its 100+ International Conferences. Nanotechnology Meeting plans to provide a platform for all the researchers to share their cup of knowledge & research findings to support the need to discover and learn the importance of nanotechnology and nano engineering in modern days. Nanotechnology and Nano Engineering conference aims to assemble all the researchers who are involved in diverse disciplines of Nano technology & Nano materials, Nanofabrication and functional Nano materials, Material science and technology, Bio nanotechnology, Advanced materials & material chemistry, Electronic, optical, and magnetic materials and more

Sincerely,

Operating Committee
