International Conference on

Nanotechnology and Nanomaterials

July 28-29, 2021 at Singapore City, Singapore

https://www.meetingsint.com/conferences/nanotechnology

Invitation

Dear Attendees,

Meetings International presents the ***Nanotechnology and Nanomaterials*** Conference, scheduled on during ***July 28-29, 2021 at Singapore City, Singapore***

This year we are that specialize in the theme "Exploring novel facts of nanotechnologies in fighting the novel coronavirus".

Nanotechnology and Nanomaterials seems to be the constantly trending material with modern-day research technologies. Everyone who explores to strengthen their knowledge and gain extended about advanced technical cleverness is welcome to present/get new ideas. Nanotechnology Conference captivates individuals both from commercial and academic worlds yet establishes a firm link and binds us alongside the recent updated accomplishments. We offer an honest opportunity by admiring your updated research and also by publishing it in our respective journals. We assure our attendees return to their place with the self-belief to enhance their abilities and outfitted with certified approaches to figure with us. This meeting will allow the attendees to accumulate these new updates and share their experiences with well--recognized speakers globally.

Sincerely,

Operating Committee

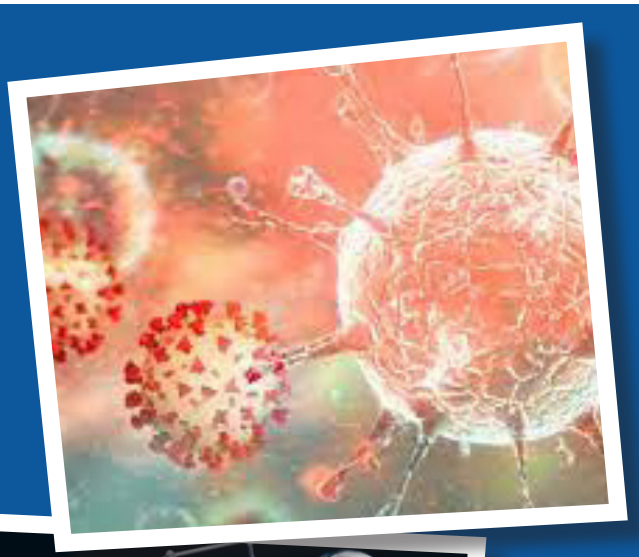

Nanotechnology 2021

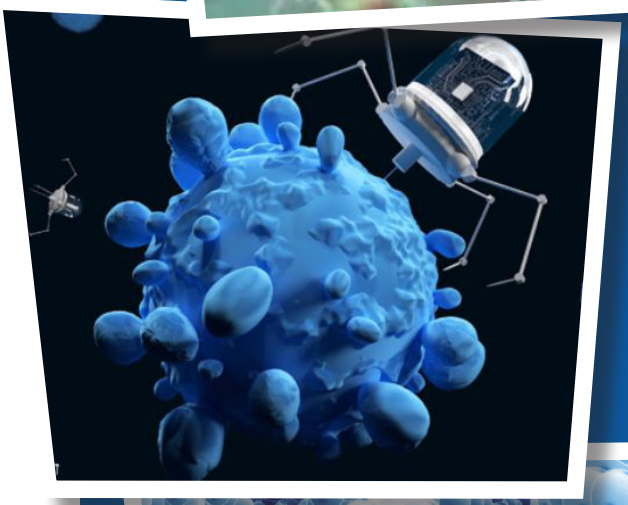

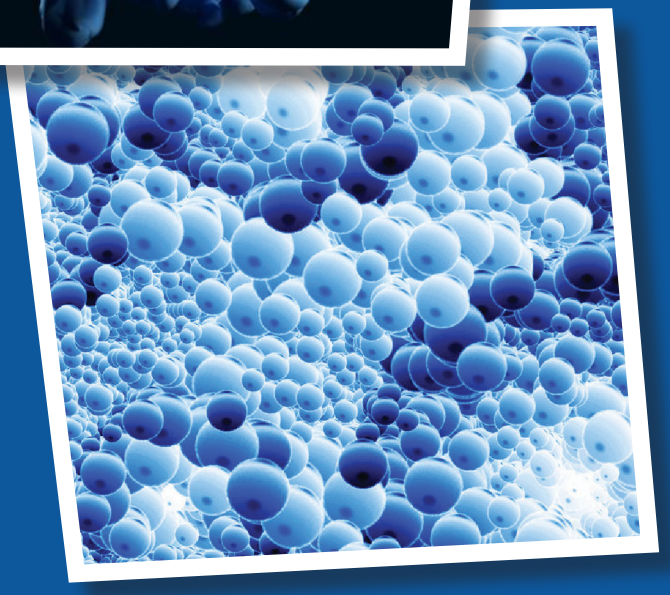

Conference Highlights

- Nanotechnology in Materials Science
- Application of Nanotechnology
- Nanoparticles
- Nanophysics
- Nano Robotics
- Nanotechnology in Communications & Information Technology
- Functional Nanomaterials
- Applications of Nanotechnology
- Nanoscience and Technology
- Nano electronics
- Material Science
- Nanomaterials
- Nano chemistry

- To identify the future directions of research
- Peer review and high quality publication
- Quality research

Singapore City Attractions

Explore Singapore City, Singapore

Singapore has reinvented itself as one of the world's best destinations. With sharp and constant contrasts all over this area you will struggle to find a more diverse and vibrant holiday experience anywhere else. The phrase 'City in a Garden' has been used to describe this magical location in which ancient forests and contemporary architecture blend into one. Old school jungle huts, chic cocktail bars and everything in-between, Singapore is a city of riches both natural and man-made. Singapore offers travelers so much more than just a stop-over destination, there is a wealth of culture and fun just waiting to be discovered.

With a primary rainforest in the city Centre, 4 nature reserves and 300 parks, there are plenty of green spaces to escape the hustle and bustle of the city. A harmonious blend of culture, cuisine, arts and architecture, Singapore is a dynamic city that's rich in contrast and color. There is no better way to appreciate this than from the water where you can see old tradition against a backdrop of modern skyscrapers. Cruising in general is a great way to enjoy the beauty and diversity of South East Asia – and you would benefit from this with Singapore in particular. Bringing together the finest of both East and West you can experience a magical mix of culture in this city with a huge range of attractions on offer.
