INVITATION

ABOUT CONFERENCE

By successfully completing **Nephrology 2025** conference in Tokyo, Japan, we are glad to announce our upcoming **"16th World Nephrology Conference"** on **September 17-18, 2026** in **London, UK**. The Conference focuses on the

Theme "Revolutionary Treatments and Cutting-Edge Technologies in Nephrology"

Nephrology 2026 conference invites oral sessions on kidney transplantation, innovative treatments in regenerative medicine, and the scientific approach to novel developments in managing chronic kidney diseases. The conference will also cover essential aspects of dialysis and kidney cryopreservation techniques, highlighting their significance in treating a variety of renal and related systemic conditions. Nephrology 2026 primarily focuses on cutting-edge research in nephrology therapies and the application of advanced technologies in regenerative kidney medicine.

YOUNG RESEARCH FORUM:

We are announcing the Young Scientist Awards through the **16th World Nephrology Conference** which is scheduled on **September 17-18, 2026** in **London, UK**. This **Nephrology 2026** focuses on **"Revolutionary Treatments and Cutting-Edge Technologies in Nephrology"**. Nephrology 2026 and upcoming conferences will recognize participants who have significantly added value to the scientific community of Medical science and provide them with outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researchers by meeting experts to exchange and share their experiences at our international conferences.

CONFERENCE HIGHLIGHTS

- Lectures by the active Investigators
- Keynote forums by Renowned Speakers
- Speaker Forum
- Poster Sessions on latest Innovation in all the relevant Areas
- Panel discussions and interactive sessions
- Open Innovation Challenges
- Poster Sessions on every career stage
- Post-Doctoral Career Development Session
- Young Research Forum
- B2B Meetings
- Global Networking with 50+ Countries
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities

TARGET AUDIENCE

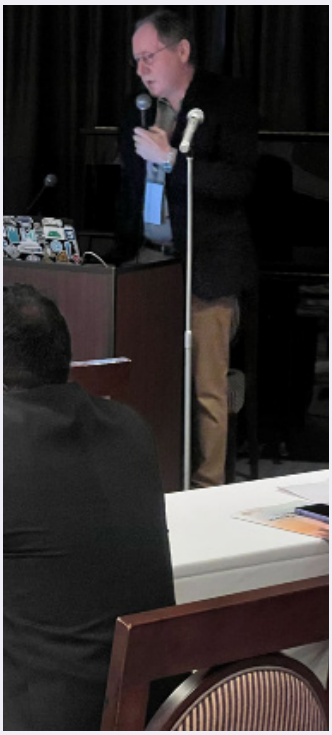

- All the Stake Holders (both Academia & Industry) of the Sector
- Researchers & Innovators
- Experts Looking for Collaborative Work
- Product Developers
- Solution Providers
- Sales & Marketing Professionals
- Associations, Societies, & Professional Bodies
- Funding Agencies & Fund Raisers
- Management Bodies
- Decision Makers

SESSION HIGHLIGHTS

- Artificial Intelligence and Machine Learning
- Advancements in Dialysis Technology
- Precision Medicine in Nephrology
- Biomarkers for Kidney Disease
- Immunotherapy in Glomerular Diseases
- Exosome-based Therapies
- Advances in Renal Replacement Therapy
- Telemedicine in Nephrology
- Nutritional Management in Kidney Disease
- Interventional Nephrology
- Kidney Organoids and Tissue Engineering
- Pediatric Nephrology
- Global Health and Kidney Disease
- Diabetic Nephropathy
- Cardio-Renal Syndromes

Past Event Report

Meetings International Conference successfully hosted its fifteen series on the **"World Nephrology Conference" Hotel Ana Crown Plaza, Narita** in **Tokyo, Japan** during **April 16-17, 2025**. The conference was organized with a theme focused on "Revolutionary Treatments and Cutting-Edge Technologies in Nephrology," and it was a great success. Eminent keynote speakers from various universities addressed the gathering. The generous response and active participation of the organising committee members played a major role in the success of the conference. On the other hand, we take the opportunity to thank all the speakers, delegates, and participants for providing their valuable support and time for the conference.

About Venue:

London, where history meets innovation. As one of the world's most influential cities, it is renowned for its iconic landmarks, cultural diversity, world-class infrastructure, and exceptional hospitality—making it a premier destination for international conferences.

Iconic Attractions:

The British Museum – Home to a vast collection of global art and antiquities | The Tower of London – Historic castle and UNESCO World Heritage Site | Buckingham Palace – The official residence of the British monarch | The Houses of Parliament & Big Ben – Iconic symbols of British heritage | The London Eye – Offering panoramic views of the city skyline | Hyde Park – One of London's largest and most famous green spaces | Cultural Districts – Covent Garden, Soho & Camden Town | Oxford Street – A world-famous shopping destination

A global culinary capital, London offers everything from Michelin-starred restaurants to diverse international cuisines and vibrant street food scenes.
