World Nephrology Congress

June 20-22, 2018 | Paris, France

Conference Agenda

Day 1 June 20, 2018

09:00-09:30	Registrations
09:30-10:00	Opening Ceremony

Keynote Forum

10:00-10:35	**Title: Progress on 100 years of blood purification** **Ghodrat A.Siami,** Vanderbilt School of Medicine, USA
10:35-11:10	**Title: Advances in management of autosomal dominant polycystic kidney disease (ADPKD)** **R. Michael Culpepper,** University of South Alabama College of Medicine, USA

Group Photo @ 11:10-11:15

Networking and Refreshment 11:15-11:30 @ Le Foyer

11:30-12:05	**Title: The Impact of treatment modality on employment and the economic benefit above the cost of providing direct treatment** **John D. Sullivan,** Boston University, USA

Workshop

12:05-13:00	**Title: Common non-infectious and non-malignant diseases of the urinary system and their therapeutic treatment with Dr Allen's devices** **Simon Allen,** Fine Treatment, UK

Lunch Break 13:00-14:00 @ Food and More

Workshop

14:00-15:00	**Title: Efficacy of taurolockTM in preventing primarybacterial peritonitis in patients undergoing peritoneal dialysis for renal insufficiency: A randomized, multicenter, double-blind study with placebo** **Bragner Bernard,** Nimes University Hospital, France

Oral Session

Sessions:
Nephrology | Clinical Nephrology | Pediatric Nephrology | Treatments in Nephrology

Session Chair: John D. Sullivan, Boston University, USA
Session Co-chair: Joelle Nortier, Free University of Brussels, Belgium

Session Introduction

15:00-15:30	**Title: From autosomal recessive renal tubular dysgenesis to the renin-angiotensin system** **Marie Claire Gubler,** Necker-Enfants Malades Hospital, France
15:30-16:00	**Title: Benefit of isonatric dialysis patients over 70 years** **Goumri Nabila,** Rodez Toulouse University, France

Networking and Refreshment 16:00-16:15 @ Le Foyer

16:15-16:45	**Title: To understand the difficulties encountered by patients at the time of the initiation of dialysis, as well as the adaptation strategies thanks to the patient experience: Qualitative research method** **A. Guerraoui,** Calydial Vienne, France
16:45-17:15	**Title: MGRS: one of the nephrological challenges of the 21st century** **M Ciocchini,** University of Buenos Aires, Argentina

Day 2 June 21, 2018

Keynote Forum

10:00-10:35	**Title: Geographical distribution of urinary tract malignancies in Jablanica District – Southern Serbia –Possible link to renal diseases and Balkan endemic nephropathy** **Nikola M Pavlovic,** University of Nis, Serbia
10:35-11:10	**Title: Dr Allen's device for kidney care as the first-line treatment for kidney stone disease** **Simon Allen,** Fine Treatment, Uk
	Networking and Refreshment 11:10-11:25 @ Le Foyer
11:25-12:00	**Title: Feasibility of measuring the central pressure during dialysis with the Complior Analyzer** **Mabrouk Brahimi,** Montfermeil Dialysis Unit Hospital, France

Workshop

12:00-13:00	**Title: Applicability of electrolysis for artificial blood purification** **Nikolai Bazaev,** Moscow State Medical University, Russia
	Lunch Break 13:00-14:00 @ Food and More

Special Session

14:00-15:00	**Title: Telomerase activates a latent stem cell population that drives regeneration of podocytes in the adult mouse kidney** **Marina Shkreli,** Institute for Research on Cancer and aging, France

Oral Session

Sessions:
Nephrology Nursing | Diabetes and Hypertension | Renal Dialysis and Care | Renal Surgery
Session Chair: Ghodrat A.Siami, Vanderbilt School of Medicine, USA
Session Co-chair: R. Michael Culpepper, University of South Alabama College of Medicine, USA

15:00-15:30	**Title: Higher risk of persistent glomerular filtration rate impairment with viral hepatitis C than B in sub-Saharan African population** **Jean Rodolphe Mackanga,** University Hospital Nantes, France
15:30-16:00	**Title: Animal toxins for human health, case of the Mambaquaretin for the treatment of polycystic kidney diseases** **Nicolas Gilles,** Institute of Biology and Technology Saclay, France
	Networking and Refreshment 16:00-16:15 @ Le Foyer
16:15-16:45	**Title: Aristolochic acid nephropathy in Belgium: Update of clinical and experimental data** **Joelle Nortier,** Free University of Brussels, Belgium
16:45-17:15	**Title: Uro-nephrological effects of the products used by drug users: A review of the literature and a pharmacoepidemiological survey in France and in the Marseille region"** **Marion Gully,** Centre of Nephrology and Renal Transplantation, France

Day 3 June 22, 2018

Special Session

10:00-11:00	**Title: Aristolochic acid nephropathy and Balkan endemic nephropathy as the worldwide problem: Tip of the iceberg?** **Nikola M Pavlovic,** University of Nis, Serbia
	Networking and Refreshment 11:00-11:15 @ Le Foyer

Oral Session

Sessions:
Kidney Cancer | Kidney Transplantation | Renal Nutrition & Metabolism
Session Chair: Nikolai Bazaev, Moscow State Medical University, Russia
Session Co-chair: M Ciocchini, University of Buenos Aires, Argentina

11:15-11:45	**Title: Comparing the effects of emergent ureteral stenting and percutaneous nephrostomy in relieving obstructive nephropathy in advanced non-urological cancer patients** **Sung Han Kim,** National Cancer Center, South Korea
11:45-12:15	**Title: Correlation between risk scores for foot ulceration in diabetics and chronic kidney disease** **Irfan Ahmeti,** Univeristy Clinic of Endocrinology, Diabetes and Metabolic Disorders, Macedonia
12:15-12:45	**Title: Renal biopsy, indications and results: About 431 cases** **A Seba,** Mouloud Mammeri University, Algeria

Special Session

12:45-13:15	**Title: Outcomes in maintenance therapy of lupus nephritis at an interdisciplinary rheumatology and nephrology service at a mixed population tertiary care center** **Frieda Wolf,** Haemek Medical Center, Isarel

Lunch Break 13:15-14:00 @ Food and More

Award Ceremony
