

EuroSciCon

32nd International Conference on

Neuroscience

April 11-12, 2022 | Rome, Italy

Theme: Discover and Learn the Challenges in Neurology and Therapies in Neuroscience during the COVID-19 pandemic

Web: https://neurocongress.euroscicon.com/

Invitation

32nd International Conference on Neuroscience will be organized by EuroScicon. It is an amalgamation of several esteemed academic and scientific associations known for promoting scientific temperament. Every year it hosts Interdisciplinary International conferences worldwide on cutting-edge basic and applied research in life sciences, Pharma, Medicine, Healthcare and Nursing delivered by the best talents in industry and academia. EuroScicon conferences are oriented to drive the scientific community at large, facilitating access to the newest scientific and technical achievements and to shape future research directions through the publication of applied and theoretical research findings of the highest quality and aims to gather the Researchers, experts, principal investigators and researchers working under academia, Scientists, students, healthcare industry and Business Delegates, across the globe to provide an international forum for the dissemination of original research results, new ideas and practical development experiences.

The 32nd International Neuroscience Congress is organized by EuroSciCon and it is based on the main problems of Neurology and Neurological Disorders in people. This is of marvellous stress as the survival of future age is being referred to.

About EuroSciCon

EuroSciCon is the longest running independent life science events company with a predominantly academic client base. Our multiprofessional and multispeciality approach creates a unique experience that cannot be found with a specialist society or commercially EuroSciCon, founded in 2001 is a UK based independent life science Events Company with predominantly business and academic client base. The key strategic objective of EuroSciCon is to communicate science and medical research between academia, clinical practice and the pharmaceutical industry. Most of its events are in Europe and London or live streamed. EuroSciCon expanded its operations to international in association with Meetings International, Singapore. All major meetings of EuroSciCon and Meetings International are accredited with Continued Professional Education (CPD), Continued Education (CE), Continued Medical Education (CME) CreditsParticipant.

11. Free publication of video article(1MB)

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD. Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions. B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

- Publishing of the accepted abstracts in our inordinately indexed journals
- Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.
- Career Guidance Workshops for students and early career researchers
- Opportunity to publish full Manuscripts in our Open Access Journals

Who'd be attending?

EuroScicon conferences are oriented to drive the scientific community at large, facilitating access to the newest scientific and technical achievements and to shape future research directions through the publication of applied and theoretical research findings of the highest quality and aims to gather the Researchers, experts, principal investigators and researchers working under academia, Scientists, students, healthcare industry and Business Delegates, across the globe to provide an international forum for the dissemination of original research results, new ideas and practical development experiences.

Scientific Sessions:

- Neurology Of Brain
- Neurophysiology
- Neurology
- Neurological Disorders: Research And Treatments
- Neuro Degeneration
- Therapeutics Approaches Of Neurological Disorders
- Neuro Diagnosis & Imaging Techniques
- Neurology And Neurological Disorders
- Autonomic Neurology
- Cognitive Neuroscience
- Neuroscience Behind The Placebo Effect
- Neurosurgery And Neural Circuits
- Computational Neurology
- Neurogenetics
- Neurodegenerative Diseases
- Neurorehabilitation
- The Science Of Neurotheology
- Neurocardiology
- Neurotoxicology
- Neuroimmunology
- Neuro-Oncology And Brain Tumours
- Neuro-Treatment Methods
- Neuropsychiatry And Psychology
- CNS (Central Nervous System)
- Paediatric Neurology
