Neurology 2023

9th International Conference on

Neurology and Neurological Disorders

November 13-14, 2023 | Barcelona, Spain

Theme: Medical breakthroughs and cutting-edge emerging technologies that transform the future of neurology

Invitation

We are glad to announce the 9thInternational Conference on Neurology and Neurological Disorders to be held in Barcelona, Spain from November 13-14, 2023 organized by International ltd, UK in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Clinical Neurophysiology, Neurological Disorders and Stroke, Alzheimers and Parkinsons Diseases, Neuropsychology and Addiction, Neuroimmunology and Neurological Infections, Neuropharmacology and Neurochemistry, Neurorehabilitation, Neurosurgery and Spine, Paediatric Neurology and Epilepsy, Molecular Genetics and Neurobiology, Psychology, Cell & Molecular Biology, Clinical and Translational Neurology, Neuroscience and Artificial Intelligence, Geriatric Psychiatry and Neurology, Cognitive Neuroscience and Psychology, Neurobiology and Behavior, Human Brain Mapping, Brain Injury and Behavioral Neuroscience, Brain Stimulation and Imaging, Biology of Aging and Neurogenesis, Molecular Neuroscience and Neurodegeneration, Neuroinformatics and Computational Neuroscience, Neurodegenerative Diseases and Stress, CNS Injury, Repair and Inhibition, Excitation, Brain Pathology and Oncology Research, Genetics and Epigenetics in Neurodegenerative Disorders, Stem Cells Role In Neuro-Biological Treatment

Life is about learning every day. Make it count in your professional life. Attend Neurology 2023 Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Barcelona, Spain- November 13-14, 2023

EuroSciCon

A Transformational Learning Experience

1. Curated to address the concerns of today's scientific world
2. Be inspired by some of the world's most renowned figures
3. Stimulate new ways of thinking and provoke action.
4. Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at International strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Practitioners and Educators accessing the website, Neurology 2023 is the most lucrative platform for Multinational organizations, entrepreneurs across the globe, Professors, Researchers, Academicians and Industry professionals pursuing their work in the field. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Neurology 2023 Salient Features:

In a world of information overload, we focus on the issues most relevant to today'stechnical trends enabling our patrons to Congregate with most senior executives Nurture connexions Agenda format which incorporates ample Q&A time Partake in our revamped exhibitor expo sessions Meet and listen to the relevant clients Unprecedented growth creating an unparalleled market place

How's International different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

Who'd be attending?

9th International Conference on Neurology and Neurological Disorders Leading World Multinational organizations, entrepreneurs across the globe, Professors, Research fellows, Leading Universities, Students, Directors of association and societies. Neurology 2023 conference brings together individuals who have an interest in different fields of Neurology plays host for the The Directors of Neurology and related Programs or Associations, Heads, Deans, and Professors of Neurology and related departments, Scientists and Researchers, Doctors, Neurology Associations and Organizations, Laboratory members and Students working in the field of Neurology. It is a forum to explore issues of mutual concern as well as exchange knowledge, share evidence, ideas, and generate solutions.

About hosting organization

International is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, International is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Clinical Neurophysiology
- Neurological Disorders and Stroke
- Alzheimers and Parkinsons Diseases
- Neuropsychology and Addiction
- Neuroimmunology and Neurological Infections
- Neuropharmacology and Neurochemistry
- Neurorehabilitation
- Neurosurgery and Spine
- Paediatric Neurology and Epilepsy
- Molecular Genetics and Neurobiology
- Psychology, Cell & Molecular Biology
- Clinical and Translational Neurology
- Neuroscience and Artificial Intelligence
- Geriatric Psychiatry and Neurology
- Cognitive Neuroscience and Psychology
- Neurobiology and Behavior
- Human Brain Mapping
- Brain Injury and Behavioral Neuroscience
- Brain Stimulation and Imaging
- Biology of Aging and Neurogenesis
- Molecular Neuroscience and Neurodegeneration
- Neuroinformatics and Computational Neuroscience
- Neurodegenerative Diseases and Stress
- CNS Injury, Repair and Inhibition

About Destination Barcelona

Barcelona is located on the north-eastern coast of the Iberian Peninsula; Barcelona is a vibrant and captivating city that effortlessly blends history, art, architecture, and a vibrant Mediterranean lifestyle. With its rich cultural heritage, stunning architecture, beautiful beaches, and thriving culinary scene, Barcelona has become one of Europe's most popular destinations for tourists and adventurers alike. Barcelona is a city that captivates the senses, offering a unique blend of history, culture, and natural beauty. Whether you're exploring the architectural wonders, immersing yourself in the local culture, or simply enjoying the Mediterranean lifestyle, Barcelona is sure to leave an indelible mark on your heart and mind. Plan your visit and prepare to be enchanted by the vibrant spirit of this incredible Spanish city. Barcelona is renowned for its architectural wonders, most notably the works of the visionary architect Antoni Gaudí. The iconic Sagrada Família, a masterpiece that has been under construction for over a century, is a must-visit landmark with its intricate facades and awe-inspiring interior. Park Güell, another Gaudí creation, offers a whimsical wonderland of colorful mosaics, stunning vistas, and unique architectural features. La Pedrera and Casa Batlló are two more architectural gems that showcase Gaudí's distinctive style and genius.

Barcelona is a food lover's paradise, renowned for its diverse gastronomy. From traditional Catalan cuisine to innovative fusion dishes, the city is home to countless restaurants, tapas bars, and food markets. Visit the vibrant Mercat de Sant Josep de la Boqueria, a bustling market brimming with fresh produce, seafood, and local delicacies. Indulge in iconic dishes like paella, Catalan-style seafood, and pintxos (Basque-style tapas) while sipping on a glass of cava or vermouth. The city embraces its cultural heritage with numerous museums, galleries, and festivals. The Picasso Museum houses an extensive collection of works by the legendary artist, providing an insight into his artistic evolution. The Joan Miró Foundation celebrates the renowned Catalan artist's avant-garde creations. Barcelona also hosts vibrant festivals like La Mercè, a celebration of Catalan traditions with parades, concerts, and fireworks, and the Festa Major de Gràcia, where the streets come alive with colorful decorations and lively street parties. Barcelona boasts several beautiful beaches where locals and visitors bask in the Mediterranean sun. Barceloneta Beach, the most popular stretch of sand, offers a vibrant seaside atmosphere with beachfront restaurants, water sports, and a lively promenade. For a quieter experience, head to Nova Icaria or Bogatell Beach, where you can relax and soak up the Mediterranean vibes.
