

10TH INTERNATIONAL CONFERENCE ON

NEUROSCIENCE RESEARCH

WE ARE INVITING YOU

We are pleased to invite you all to attend the upcoming "**10th International Conference on Neuroscience Research** (Neurosci Meeting 2022)" which is scheduled to be held in **Dubai, UAE** (**HYBRID**) during **October 10-11, 2022**.

Theme

DISCOVERING INNOVATIVE RESEARCH TOWARDS NEUROLOGY AND NEUROSURGERY

Neurosci Meeting 2022 will bring together experts like Neuroscientists, Clinicians, Neurologists, Psychiatrists, Medical practitioners, academic professionals and students from all over the world to share the latest research towards neurology and neurosurgery area. This conference will be an extraordinary interactive, responsive platform where both young and senior researchers can expect long-term collaboration which can help to grow in their research career.

ABOUT COMPANY

Meetings International (Meetings Int.) is a global leader in producing high quality conferences, meetings, workshops and symposia in all major fields of science, technology and medicine. Since its inception, Meetings Int. has been associated with national and international associations, corporations and high level individuals, dedicated to host world class conferences and events. Meetings Int. supports broad scope research and peer review at a broad range of specialists around the world. The key strategic objective of Meetings Int. is to communicate science and medical research between academia, and industry. Through inspiring sessions and tons of networking, you will learn to be even more audacious and bold than you are now and free to grow your mind, grow your business, and grow your bottom-line.
