Invitation

A Webinar is an online seminar that turns a presentation into a real-time conversation from anywhere in the world. Webinars allow large groups of participants to engage in online discussions or training events and share audio, documents or slides – even when they're not in the same place as the meeting host or in the same room where the event or presentation is taking place.

The Congress highlights the discussion round the theme on neuroscience which will offer an International platform for the discussion of current and future challenges in medical aid, patient care, and education and expertise gatherings. Neuroscience Conferences team is proud to host the 15th Edition of online webinar on Neuroscience and Psychiatry | Webinar | September 24-25, 2020. This year's theme is Neurological manifestations in Covid-19. Neuroscience 2020 will provide an unprecedented opportunity for Chemistry lovers of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite researchers and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome. With a broad array of

keynote presentations, panel discussions, workshops, and poster sessions, the Neuroscience webinar is the perfect venue not only to dive into your particular Neuroscience interests but also to expand the scope of your knowledge. 23 Scientific tracks are devoted to subjects such as Alzheimer Disease, Psychiatric Genetics, Neuropsychiatry, Psychology, Gut Brain, Neuro Surgery, Clinical Trials And Case Reports, Central Nervous System, Brain Mapping, Mental Health Services, Hypnotherapy ,Multiple Sclerosis, Pediatric Neurology, Neurological Disorder Treatments, Brain Stroke, Neurology Nursing, Neuro Virology, Neuro Muscular Disorders, Clinical Neurology, Neurology Education Neurology, Neuro Toxicology, Mirror Neuron

About EuroSciCon

EuroSciCon is the longest running independent life science events company with a predominantly academic client base. Our multiprofessional and multispeciality approach creates a unique experience that cannot be found with a specialist society or commercially EuroSciCon, founded in 2001 is a UK based independent life science Events Company with predominantly business and academic client base. The key strategic objective of EuroSciCon is to communicate science and medical research between academia, clinical practice and the pharmaceutical industry. Most of its events are in Europe and London or live streamed. EuroSciCon expanded its operations to international in association with Meetings International, Singapore. All major meetings of EuroSciCon and Meetings International are accredited with Continued Professional Education (CPD), Continued Education (CE), Continued Medical Education (CME) CreditsParticipant.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD. Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

- Publishing of the accepted abstracts in our inordinately indexed journals
- Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.
- Career Guidance Workshops for students and early career researchers
- Opportunity to publish full Manuscripts in our Open Access Journals

Who'd be attending?

10th Edition of European Chemistry Webinar plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Researchers, Investigative neurologists and delegates, neurology related disciplinary event considering all the major areas of neurology, including Alzheimer Disease, Psychiatric Genetics, Neuropsychiatry, Psychology, Gut Brain, Neuro Surgery, Clinical Trials And Case Reports, Central Nervous System. Besides fundamentals, the conference also presents advanced topics like Brain Mapping, Mental Health Services, Hypnotherapy ,Multiple Sclerosis, Pediatric Neurology, Neurological Disorder Treatments, Brain Stroke, Neurology Nursing, Neuro Virology, Neuro Muscular Disorders, Clinical Neurology, Neurology Education Neurology, Neuro Toxicology, Mirror Neuron.
