### Theme

Scholarly Insight & Revolutionize Therapies to enhance Neuro and Mental Health

# Welcome Message

Meetings International proudly announces the Global Experts Meeting on "World Congress on Neurology and Mental Health" scheduled on May 21-22, 2018, Singaporewith a theme of "Scholarly Insight & Revolutionize Therapies to enhance Neuro and Mental Health".

Meetings International provides a Global Platform for Neurological and Mental Health, Medical and Healthcare Professionals to Exchange Ideas, Knowledge and Networking at its 100+ International Conferences.

Neuroscience Meetings 2018 aims to discover advances in health practice, management and education in relation to health disparities as well as a breadth of other topics. A Neuroscience Professional has a special set of competence and ability. Not only can they diagnose patients and finally provide medication, but they also serve in leadership and consulting roles. NCS's are prominent and impact health care across the board, from reducing medical complications to improving patient satisfaction.

Neuroscience Conferences aims to discover advances in health practice, management and education in relation to health disparities as well as a breadth of other topics. The World Congress on Neurology and Mental Health Conference is a platform for Neurologists, Neurosurgeons, Neuroscientists Psychiatrists, Professors, Students, Nurses, Doctors to collaborate on topics affecting nursing education. Attendees can: Take advantage of opportunities to learn about Neuroscience Conference from a variety of oral and poster presentations. Meet and network with Neurologists ranging from students to deans, faculty, and researchers. Take advantage of opportunities to collaborate with nurses from around the world. Attend prominent plenary sessions about relevant issues affecting Neurological and Mental Health.

Neuroscience Meetings 2018 will offer you an unmatched attendee experience. In addition to the many scientific sessions and take-home case study examples, you will leave this event with many other evidence based practice from some of our workshops and symposiums. We hope you will join us in Singapore this May.

Sincerely,

Operating Committee

CEO and Founder

Meetings International PTE LTD.

## Who Should Attend?

- Neurologists
- Neurosurgeons
- Neuroscientists
- Psychiatrists
- Professors
- Students
- Nurses
- Doctors

## Why Attend?

- 10+ Keynote Speaker Session
- 50+ speaker faculty over 2 full days sharing Evidence Based Neurology and Mental Health
- 5+ Workshops
- 13 Interactive sessions
- Mixture of Health care units and Academia Delegates
- Networking

## Conference Highlights

- Neurology
- Neurological disorders
- Central Nervous System
- Spine and Spinal Disorders
- Dementia
- Parkinsons Disease
- Alzheimers disease
- Neuro Oncology
- Neuro-Degenerative Disorders
- Stroke and its Management
- Neuro-chemistry
- Neurosurgery
- Neuropsychiatry and Mental health
- Neuropsychology and Behavioral Science
- Human Resilience
- Mental Disorders
- Addiction
- Anxiety & Depression Disorders
- Neuro Radiology & Imaging techniques
- Rehabiltion and Treatments
- Therapeutic Approaches for Neurological & Mental Disorders
- Clinical Trails & Case Reports

## Event at a Glance

## Editorial Board Members

Valentina Echeverria Moran,
Bay Pines Veterans Affairs Health Care System, USA

FEI Han
Washington University School of Medicine, USA

Tang Wai Kwong
Shatin Hospital, Hong Kong SAR

Camila Torriani-Pasin
University of Sao Paulo – Brazil

Filli Linard,
University Hospital Zurich, Zurich, Switzerland

Hamner M
Medical University of South Carolina, USA

Kasper S
Medical University Vienna, Austria

Lawson W
Howard University College ofMedicine, USA

James P. Kelleher
Clinical Psychiatry & Behavioral Sciences

Joseph A. Boscarino
Icahn School of Medicine at Mount Sina

Alan M. Langlieb
Johns Hopkins University, USA

## Journals

Selected contributions will be published in following supporting international Journals

Editors- Journal of neurological disorders
(https://www.esciencecentral.org/journals/neurological-disorders.php)

Journal of Brain Disorders & Therapy
(https://www.omicsgroup.org/journals/brain-disorders-therapy.php)

Journal of Brain Tumors & Neurooncology
(https://www.omicsonline.org/brain-tumors-neurooncology.php)

## Sponsorship and Exhibiting Opportunities

Supporting our events as a sponsor is an excellent promotional tool for your company/organization and a fantastic way of achieving several marketing and sales goals all in the space of 3 valuable full days. Our attendees are actively seeking and researching solutions to their business problems, you can save yourself a lot of time and money throughout the year by simply being a sponsor and do more in those intense 3 days for your company than the whole year! Whether the goal is to increase brand awareness and credibility, getnerate new sales leads or maintain & expand existing relationships, we have the right sponsorship to broaden your competitive advantage in the market-place and attract your target market.

Want to find out some more about the sponsorship opportunities we have available?

Call Program Manager on 800-101-2526 (or )

email him at neuroscience@neurosciencemeetings.com, neuroscience@meetingseries.com with "Sponsorship Enquiry" in the subject line. (* Please note that sponsorship opportunities are limited due to the educational-led focus of this event. Please enquire for availability.

## Why Sponsor Our Event?

- Opportunity to meet new business partners enhance customer relationships

- Your product/services gets good recognition and remuneration in the world

## Sponsorship Packages

- Diamond Sponsor
- Gold Sponsor
- Silver Sponsor
- Bronze Sponsor
- Exhibition

For any other and customized packages, write to Program Manager.

# About Singapore

Singapore officially the Republic of Singapore, and often referred to as the Lion City or the Little Red Dot, is a sovereign city-state in Southeast Asia, and the world's only island city-state. Singapore is a global commerce, finance and transport hub. Its standings include: the most "technology ready" nation (WEF), top International-meetings city (UIA), city with "best investment potential" (BERI), second-most competitive country, third-largest foreign exchange market, third-largest financial centre, third-largest oil refining and trading centre, and the second-busiest container port. Singapore is a major international transport hub, prospered as an important point for land and water transportation as well as a commercial city. Singapore's territory consists of a diamond-shaped main island along with 62 other islets and its greening policy has covered the densely populated island with tropical flora, parks and gardens. Singapore consists of 63 islands, including the main island, Pulau Ujong. There are two man-made connections to Johor, Malaysia: the Johor–Singapore Causeway in the north and the Tuas Second Link in the west. Jurong Island, Pulau Tekong, Pulau Ubin and Sentosa are the largest of Singapore's smaller islands. Gardens by the Bay is a surreal green oasis in the heart of Singapore. It brings plants to life in a way you've never seen before. There you are surrounded by nature whilst feeling like you have stepped into the Avatar movie. This huge, colourful, futuristic park is famous for its high-tech Supertree Grove – a collection of magical giant trees – as well as Cloud Forest and Flower Dome. One of the attractions at Marina Bay Sands, the ArtScience Museum is the world's first ArtScience museum, opened on 17 February 2011. This unique building is shaped like a lotus flower in bloom, and is anchored by a round base in the middle, with ten extensions referred to as "fingers", designed to be a symbolic gesture of welcome to guests from across the globe. It's easy to get around when you're in Singapore. Taxis are easy to find as well as buses that are convenient, safe and inexpensive. Singapore's well-connected public transportation system ensures you will always travel effortlessly from one place to another.
