Explore Madrid

Madrid is best known for its great cultural and artistic heritage, a good example of which is the El Prado museum. Madrid also boasts some of the liveliest nightlife in the world. The climate of Madrid is continental; Spring and autumn are definitely the best times to visit, especially the months of April, May, July, September and October. Madrid is a popular tourist attraction, with the famous ones being Puerta del Sol, Plaza Mayor, Mercado de San Miguel, Gran Vía, Plaza de Cibeles, etc.

Supporting Journals

- Journal of Clinical & Experimental Radiology
- Journal of Diagnostic Techniques and Biomedical Analysis
