Nursing Care 2018

International Conference On

NURSING AND EMERGENCY CARE

September 27-28, 2018 | Dubai, UAE

www.meetingsint.com/nursing-conferences/nursingcare

Invitation

Meetings International proudly announces the ***International Conference On Nursing And Emergency Care*** scheduled during ***September 27-28, 2018*** in ***Dubai, UAE***. The conference emphasizes the theme ''**Technological Advancements and Innovative Approaches in Nursing Practice**.''

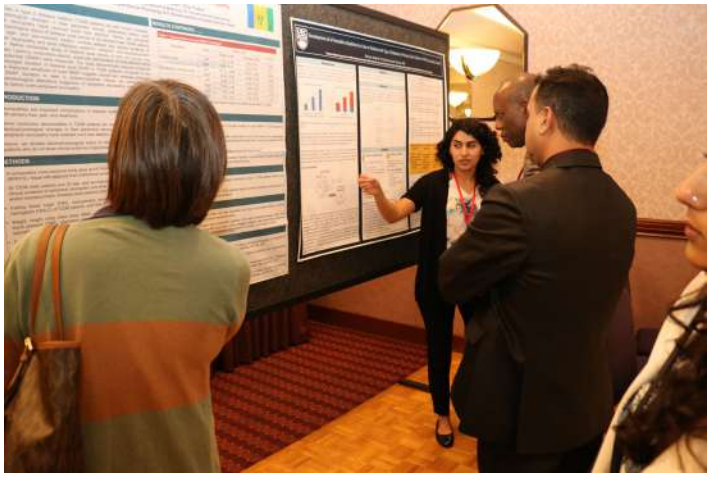

Meetings International provides an international dais for scientists and professors and students to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. It's important to share knowledge with others due to newly generated problem. Nursing aims to discover advances in health practice, management and education in relation to health disparities as well as a breadth of other topics. A nursing professional has a special set of competence and ability. Not only can they diagnose patients and finally provide medication, but they also serve in leadership and consulting roles. NCS's are prominent and impact health care across the board, from reducing medical complications to improving patient satisfaction.

Sincerely,
Operating Committee
