Nursing Diagnosis

2018

Invitation

Nursing Diagnosis 2018 is glad and proud to welcome to attend the 28th World Conference on Nursing Diagnosis & Care Plans during September 10-11, 2018 Prague, Czech Republic with a theme “Exploring Latest Innovations in Nursing Diagnosis and Care Plans “. Prague is the city of financial and business capital of the Czech Republic, currently one of the best European cities in which to locate an international business. EuroSciCon through its Open Access Initiative is committed to make genuine and reliable contributions to the scientific community. Nursing Diagnosis 2018 aims with total 25 tracks to discover advances in health practice, management and education in relation to health disparities as well as a breadth of other topics.

Nursing Diagnosis 2018 conference brings together individuals who have an interest in different fields of nursing like psychiatric, cancer, cardiac, critical care, legal, healthcare and medicine from practice, research, administration, policy and education. It also gives opportunities to the nursing societies to showcase their knowledge and have face to face meetings with scientists increasing their business opportunities and also gives opportunity to know about their market competitors. The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. We assure our attendees will return with a confidence in Isharing and gaining knowledge from the experts to improve their nursing practice and equipped with certified procedures to work with.

.

About Destination Prague

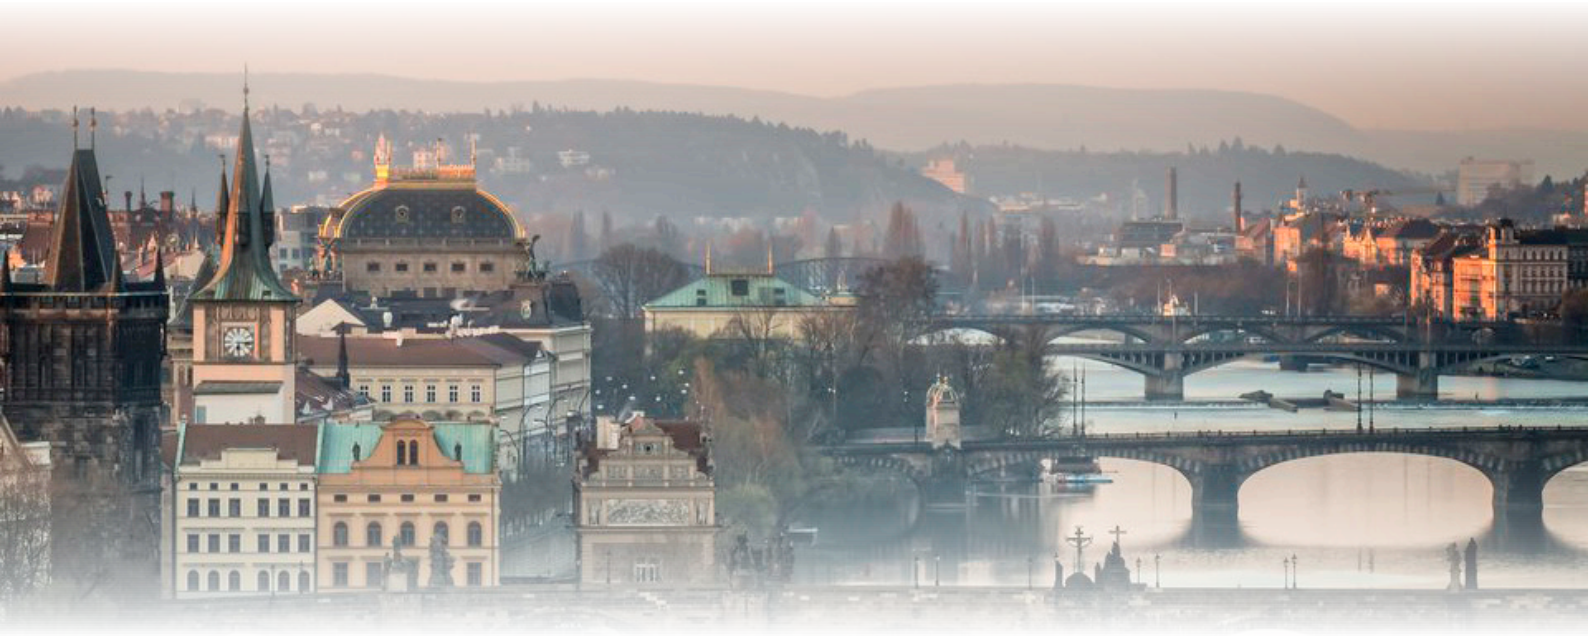

Prague the capital and largest city of the Czech Republic, is the 14th largest city in the European Union and is also the historical capital of Bohemia. It is situated in the north-west of the country on the Vltava river, and the city is home to about 1.4 million people, while its larger urban zone is estimated to have a population of 2.2 million. Prague has been a political, cultural, and economic center of central Europe with waning fortunes during its history. Since 1992, the extensive historic center of Prague has been included in the UNESCO list of World Heritage Sites. Prague is even classified as an “Alpha-” global city according to GaWC studies. Prague ranked sixth in the Trip advisor world list of best destinations in 2016.Prague is the fifth most visited European city after London, Paris, Istanbul and Rome.
