Title: Nurse life care planning: Beyond the bedside and into the courtroom

Shelene Giles

Hendersonville, USA

Biography

Shelene Giles has extensive knowledge in the specialty practice of nurse life care planning. Shelene holds college degrees in Nursing, Rehabilitation Counseling, Psychology, and Business Administration. She is a licensed Registered Nurse and her certifications include Certified Nurse Life Care Planner, Certified Life Care Planner, Certified Rehabilitation Counselor, Medicare Set-Aside Consultant Certified, and Legal Nurse Consultant Certified. Decades ago, Shelene's career began in assisting those with disabilities in the community. Her attention moved toward understanding the effects and life-changing events of a catastrophic injury/illness. Shelene discovered the valuable impact of nurses in the litigation settlement process. She specializes in determining future cost of care in catastrophic cases. She provides her knowledge as an expert witness. Between 2007 – 2009, Shelene served on the AANLCP® Executive Board as President. Shelene is an internationally recognized speaker/ instructor/mentor/coach and has peer-reviewed publications. She has gained a reputation for being an effective hands-on and compassionate educator.

Title: A multimodal orientation for clinical nursing instructors

Maria Pratt

McMaster University, Canada

Biography

Dr. Pratt's doctoral research focused on the evaluation of unsatisfactory student performance in professional nursing practice courses from the clinical faculty perspective. One of her research recommendations was to develop a multimodal orientation program for novice clinical faculty. Dr. Pratt recently completed the Priority Area in Learning and Teaching (PALAT) grant from MacPherson Institute for Leadership, Innovation and Excellence in Teaching based on this research recommendation. Her other research interests include Scholarship of Teaching and Learning in Higher Education, Student Engagement in Large Group PBL and Clinical Lab, and Interprofessional Simulation Learning. Dr. Pratt's primary teaching responsibilities are with the undergraduate program. She teaches PBL courses and supervises professional practice students in adult medical-surgical, oncology, and maternal-child practicum settings. She is currently an Assistant Professor and Faculty Lead for the BScN Accelerated Stream.

Title: Cancer patient's descriptions of flow experiences

Margereth Björklund

Jönköping University, Sweden

Biography

Margereth Björklund is working as a Senior Lecturer at Jönköping University and has completed her PHD in 2010 in The Nordic School of Public Health Gothenburg, Sweden. Her research is about health, health, promotion and empowerment in everyday life with head and neck cancer. Since no knowledge about positive psychology and flow theory in an HNC context exists her current research focuses on this. She works as a Senior Lecturer since 1999 and has been working as a nurse between 1970-2000 in head and neck cancer context. She has published more than 8 papers in reputed journals and have written chapters in books and two books.

Title: Mutual benefits in academic-service partnership: An integrative review

His clinical practice areas are geriatric medicine, cardiac medicine, and cardiac surgery.

Title: A lost human resources, the experience of new graduate nurses in Saudi Arabia

Awatif Alrasheeday

University of Salford, UK

Biography

Awatif Alrasheeday is a lecturer at Hail University, Kingdom of Saudi Arabia, Nursing College. Currently, she is a fourth -year PhD candidate at the School of Health Science, Salford University, United Kingdom. Her research interests in exploring the experiences of newly graduate nurses in Saudi Arabia during their first destination posts in a government hospital. In her research, she wanted to have a better understanding of the experience of the new graduate nurse transition, especially in the context of Saudi culture. To do so, she chosen to frame her study by using an ethnographic approach because she consider that NGNs are a specific cultural group. For her PhD Thesis, she is working under the supervision Dr- Joan Livesley and Dr- Neil Murphy. Awatif Alrasheeday aim to critically examine how social and cultural mores were interpreted by NGNs and how they framed and shaped their experiences.

PLAN A TRIP TO LONDON: DESTINATION OF NURSING EDUCATION 2019

London is the capital and most populous city of England and the United Kingdom. Standing on the River Thames in the south east of Great Britain. It was founded by the Romans, who named it Londinium. It is one of the world's leading financial centres and has the fifth-or sixth-largest metropolitan area GDP in the world depending on measurement. London is a world cultural capital. It is the world's most-visited city as measured by international arrivals and has the world's largest city airport system measured by passenger traffic. It is the world's leading investment destination, hosting more international retailers and ultra high-net-worth individuals than any other city. London's 43 universities form the largest concentration of higher education institutes in Europe, and according to 2014 report it is placed first in the world university rankings. According to the report London also ranks first in the world in software, multimedia development and design, and shares first position in technology readiness.

Tourist Attraction:

London has a diverse range of peoples and cultures, and more than 300 languages are spoken. The Office for National Statistics estimated its mid-2014 population to be 8,538,689, the largest of any municipality in the European Union, and accounting for 12.5 percent of the UK population. It is a leading global city, with strengths in the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transport all contributing to its prominence. Other famous landmarks include Buckingham Palace, the London Eye, Piccadilly Circus, St Paul's Cathedral, Tower Bridge, Trafalgar Square, and The Shard. It is the home to numerous museums, galleries, libraries, sporting events and other cultural institutions, including the British Museum, National, Tate Modern, British Library and 40 West End theatres.
