Technology Innovations in Nursing Education and Better Health through Nursing Research

EuroSciCon

Nursing Education

2020

Invitation

Nursing Education 2020 is glad and proud to welcome to attend the 29th Edition of World Congress on Nursing Education & Research 2020 during May 25-26, 2020 Dublin, Ireland with a theme "Technology Innovations in Nursing Education and Better Health through Nursing Research". Dublin is the capital and most populous city of Ireland. It is a world cultural capital, the world's most-visited city leading investment destination, hosting more international retailers and ultra high-net-worth individuals than any other city. It also ranks first in the world in software, multimedia development and design, and shares first position in technology readiness. EuroSciCon through its Open Access Initiative is committed to make genuine and reliable contributions to the scientific community. Nursing Education 2020 aims with total 29 tracks to discover advances in health practice, management and education in relation to health disparities as well as a breadth of other topics.

Nursing Education 2020 conference brings together individuals who have an interest in different fields of nursing like psychiatric, Clinical, Professional and Continuing Nursing Education, Nursing Safety, cancer, cardiac, critical care, adult & women health, legal, Pediatric and emergency nursing, midwifery, public health, healthcare and medicine from practice, research, administration, policy and education. It also gives opportunities to the nursing societies to showcase their knowledge and have face to face meetings with scientists increasing their business opportunities and also gives opportunity to know about their market competitors.The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. We assure our attendees will return with a confidence in lsharing and gaining knowledge from the experts to improve their nursing practice and equipped with certified procedures to work with.
