Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Nurse Practitioners and Educators accessing the website, Nursing Education 2021 is the most lucrative platform for Doctors, Registered Nurses, HealthCare professionals, Professors, Researchers, Academicians and Industry professionals pursuing their work in the field. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Nursing Education 2021 Salient Features:

In a world of information overload, we focus on the issues most relevant to today'stechnical trends enabling our patrons to Congregate with most senior executives Nurture connexions Agenda format which incorporates ample Q&A time Partake in our revamped exhibitor expo sessions Meet and listen to the relevant clients Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

Who'd be attending?

Leading world Doctors, Registered Nurses, Health Care professionals, Professors, Research fellows, Leading Universities, Students, Nurses, Directors of association and societies. Nursing Education 2021 conference brings together individuals who have an interest in different fields of nursing like psychiatric, cancer, cardiac, critical care, adult & women health, legal, Pediatric and emergency nursing, midwifery, public health, healthcare and medicine from practice, research, administration, policy and education. It is a forum to explore issues of mutual concern as well as exchange knowledge, share evidence, ideas, and generate solutions.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Nursing Education and Research
- Nursing Care and Nursing Practice
- Types of Nursing Education
- Teaching Strategies in Nursing Career & Education
- Midwifery & Women's Health
- Nursing Research and Evidence Based Practice
- Oncology Nursing
- Patient Safety & Health Care
- Nursing Informatics & Management
- Professional and Continuing Nursing Education

About Destination Barcelona, Spain

Barcelona is second most populated city, located in the north-eastern Spain on the shores of the Mediterranean. It is one of the main European cities and the centre of a vast cosmopolitan region of more than 160 towns and with a population of more than 5 million people. It is economic, cultural and administrative capital and largest city of Catalonia. It is a major tourist destination. It has a rich traditional custom and an important cultural centre. The headquarters of the Union for the Mediterranean is located in Barcelona. The city is famous for hosting the 1992 Summer Olympics as well as it is best known for world-class conferences and shows and also for many international sport tournaments.

Catalonia and its capital Barcelona have placed themselves as a benchmark region in the food and beverage industry and the agro-foods business. It has a huge number of attractions including a city center which retains its medieval street plan; some stunning modernist architecture including several buildings by Gaudí - Spain's most famous architect; dozens of museums including one dedicated to Picasso, another to Miró and yet another to Barça, Barcelona's world famous football club! The total city area is 91 km2 and the metropolitan is 477 km2. Barcelona has an average temperature around 16°C and the average temperature in summer is 29°C. Barcelona is famous for its Catalan culture. The University of Barcelona is one of the oldest Universities founded in 1450 and the autonomous University of Barcelona are the city's educational and research institutions. There are some museums which include the Museum of Catalonian Art, the Museum of Modern Art, the Maritime Museum and the Picasso Museum. Barcelona is a very dynamic south-European and Mediterranean city. It is the perfect city to relax in with its charming people, stroll around the modernist art.
