ABOUT MILAN

Milan is a city in northern Italy, capital of Lombardy, and the second-most populous city in Italy after Rome. Milan is considered a leading alpha global city with strengths in art, commerce, design, education, entertainment, fashion, finance, healthcare, media, services, research and tourism. Its business district hosts Italy's Stock Exchange and the headquarters of national and international banks and companies. In terms of GDP, it has the third-largest economy among European cities after Paris and London, but the fastest in growth among the three, and is the wealthiest among European non-capital cities. Milan is considered part of the Blue Banana and one of the "Four Motors for Europe." The city has been recognized as the world's fashion capital and the world's design capital the city hosts numerous cultural institutions, academies and universities, with 11% of the national total enrolled students.
