Exploring Latest Innovations & Current Challenges in Nursing

Welcome Message

Meetings International proudly announces the "2nd International Meeting on Nursing Research and Evidence Based Practice" scheduled on March 19-20, 2018, Singapore with a theme of "Exploring Latest Innovations & Current Challenges in Nursing".

Meetings International provides a Global Platform for Nursing Professionals, Nursing Practitioners, Medical and Healthcare Professionals to Exchange Ideas, Knowledge and Networking at its 100+ International Conferences.

Nursing Meeting 2018 aims to discover advances in health practice, management and education in relation to health disparities as well as a breadth of other topics. A nursing Professional has a special set of competence and ability. Not only can they diagnose patients and finally provide medication, but they also serve in leadership and consulting roles. NCS's are prominent and impact health care across the board, from reducing medical complications to improving patient satisfaction.

Nursing Conferences aims to discover advances in health practice, management and education in relation to health disparities as well as a breadth of other topics. The Nursing Conference is a platform for nursing students, faculty, deans, researchers, and leaders to collaborate on topics affecting nursing education. Attendees can: Take advantage of opportunities to learn about Nursing Conference from a variety of oral and poster presentations. Meet and network with nurses ranging from students to deans, faculty, and researchers. Take advantage of opportunities to collaborate with nurses from around the world. Attend prominent plenary sessions about relevant issues affecting nursing care.

This Conference involves of the theoretical and practical training provided to nurses with the purpose to prepare them for their duties as nursing care professionals. This education is provided to nursing students by experienced nurses and other medical professionals who have qualified or experienced for educational tasks. Most countries offer nurse education courses that can be relevant to general nursing or to specialized areas including mental health nursing, pediatric nursing and post-operatory nursing. Courses leading to autonomous registration as a nurse typically last four years. Nurse Care also provides post-qualification courses in specialist subjects within nursing.

Meetings International Nursing Meeting will offer you an unmatched attendee experience. In addition to the many scientific sessions and take-home case study examples, you will leave this event with many other evidence based practice from some of our workshops and symposiums. We hope you will join us in Singapore this July.

Sincerely,

Operating Committee

About Singapore

Singapore is one of the great cities of the world, with its blend of Asian and European cultures. Singapore's famed Marina Bay is the place to go to see the city's most spectacular side. With the fast development of this cosmopolitan city-state, the whole Marina Bay area has undergone a transformation of epic proportions. Universal Studios Singapore is the first amusement park of its kind to open in Southeast Asia. The park has more than 20 attractions in themed zones including the Lost World, Ancient Egypt, New York, Hollywood and Madagascar. The luxurious colonial-style hotel has a long history dating back to 1887 and has become one of the most important Singapore landmarks.

Chinatown is another Singapore icon; great for shopping to see all kind of important attractions and trying out authentic Chinese food. The Singapore Flyer is the world's largest observation wheel. Sentosa is a purpose built island off the southern tip of Singapore which was built with leisure and relaxation in mind. A collection of beaches, theme parks, golf, shopping, dining and more are all available on this strip of reclaimed land that can be reached by road or cable car. Singapore Night Safari is truly a unique attraction. It is not only an interesting place worth a visit but a leading conservation and research Centre in Asia
