Dear Colleagues,

Meetings International proudly announces the Global Experts Meeting on "2nd International Meeting On Nursing Research and Evidence Based Practice" scheduled on March 21- 22, 2018, Singapore. With a theme of "Exploring Latest Innovations & Current Challenges in Nursing".

Meetings International provides a Global Platform for Nursing Professionals, Nursing Practitioners, Medical and Healthcare Professionals to Exchange Ideas, Knowledge and Networking at its 100+ International Conferences.

Nursing Meeting 2018 aims to discover advances in health practice, management and education in relation to health disparities as well as a breadth of other topics. A nursing professional has a special set of competence and ability. Not only can they diagnose patients and finally provide medication, but they also serve in leadership and consulting roles. NCS's are prominent and impact health care across the board, from reducing medical complications to improving patient satisfaction.

- Nursing Education and Research
- Evidence-Based-Clinical Practice
- Evidence Based- Non Clinical Practice
- Reproductive health Nursing
- Cancer Nursing
- Mental Health Nursing

Tourist Attractions

About Singapore

Singapore is one of the great cities of the world, with its blend of Asian and European cultures. Singapore's famed Marina Bay is the place to go to see the city's most spectacular side. With the fast development of this cosmopolitan city-state, the whole Marina Bay area has undergone a transformation of epic proportions. Universal Studios Singapore is the first amusement park of its kind to open in Southeast Asia. The park has more than 20 attractions in themed zones including the Lost World, Ancient Egypt, New York, Hollywood and Madagascar. The luxurious colonial-style hotel has a long history dating back to 1887 and has become one of the most important Singapore landmarks.
