World Congress on Nursing Practice and Research

Nursing Practice 2019

July 22-23, 2019 | Tokyo, Japan

INVITATION

Meetings International proudly announces the **World Congress on Nursing Practice and Research** scheduled during **July 22-23, 2019 at Tokyo, Japan.** The conference emphasizes the theme "**Trends, Challenges and Leadership in Nursing Practice And Research**".

At the 'World Congress on Nursing Practice and Research', **Meetings International** promotes broad scope research and peer review at a wide range of specialists around the world. The key strategic objective of Meetings Int. is to communicate science and medical research between academia, and industry. Through inspiring sessions and tons of networking, you will learn to be even more audacious and bold than you are now and free to grow your mind, grow your business, and grow your bottom-line. We can relieve you of the time and resource draining elements of the events that you plan to hold. From planning to coordinating, start to finish; we will be there to ensure you take the accolades for yet another brilliant program. Earn Continuing Nursing Education (CNE) Credits by attending Nursing Practice 2019

Sincerely,
Operating Committee

ABOUT TOKYO

Greater Tokyo is the world's most populous metropolitan area and is the center of Japanese culture, finance, and government. A bustling cosmopolitan city, Tokyo is also a major transportation hub and a world economic and industrial center. The city boasts a large number of world-class institutions of higher education, the highest concentration of universities in Japan. Tokyo was known as Edo until 1868, when the Japanese imperial family was moved there from Kyoto. Metropolitan Tokyo is generally defined as the four prefectures of Tokyo, Saitaima, Kanagawa, and Chiba, while the city of Tokyo proper usually refers to the 23 wards in Tokyo prefecture itself. The metropolitan area includes the major cities of Yokohama (the second largest city in Japan), Kawasaki, and Chiba, as well as rural mountain regions west of the city, the Izu Islands outside Tokyo Bay, and the Bonin Islands to the southeast in the Pacific Ocean. Tokyo is located on the Pacific on the eastern coast of Honshu, the largest of the four main islands comprising Japan.
