Invitation

Nursing Research 2020

Meetings International proudly announces the **17th Nursing Research and Evidence Based Practice** scheduled during **April 20-21, 2020** at **Singapore City, Singapore**. The conference emphasizes the theme "**Trends, Challenge, and Leadership in Nursing Research and Evidence Based Practice**".

At the 'World Nursing Research and Evidence Based Practice', Meetings International promotes broad scope research and peer review at a wide range of specialists around the world. The key strategic objective of Meetings Int. is to communicate science and medical research between academia, and industry. Through inspiring sessions and tons of networking, you will learn to be even more audacious and bold than you are now and free to grow your mind, grow your business, and grow your bottom-line. We can relieve you of the time and resource draining elements of the events that you plan to hold. From planning to coordinating, start to finish; we will be there to ensure you take the accolades for yet another brilliant program. Earn Continuing Nursing Education (CNE) Credits by attending Nursing Research 2020

Sincerely,
Operating Committee

To identify the future directions of research

Peer review and high quality publication

Quality research

Explore Singapore

Singapore has reinvented itself as one of the world's best destinations. With sharp and constant contrasts all over this area you will struggle to find a more diverse and vibrant holiday experience anywhere else. The phrase 'City in a Garden' has been used to describe this magical location in which ancient forests and contemporary architecture blend into one. Old school jungle huts, chic cocktail bars and everything in-between, Singapore is a city of riches both natural and man-made. Singapore offers travelers so much more than just a stop-over destination, there is a wealth of culture and fun just waiting to be discovered.
