Paris Attractions

Explore France

Paris, France's capital is a significant European city and a worldwide place for workmanship, style, gastronomy, and culture. Its nineteenth-century cityscape is bungled by wide lanes and the River Seine. Past such milestones as the Eiffel Tower and the twelfth century, Gothic Notre-Dame basilica, the city is known for its bistro culture and planner stores along the Rue du Faubourg Saint-Honoré. Paris was the second most costly city on the planet, after Singapore, and in front of Zürich, Hong Kong, Oslo, and Geneva. Another source positioned Paris as the most costly, on a standard with Singapore and Hong Kong, in 2018. Regardless of whether daylight is shining on the bistro patios of Boulevard Saint-Germain or despairing fogs of the Seine River are covering Notre-Dame Cathedral, the supernatural mood of Paris has a method of romancing guests. This unique city is loaded up with affected landmarks like the Eiffel Tower, the Arc de Triomphe, and the Panthéon.

Venue
Paris, France
