4th International Conference on

NUTRITION

Nutrition 2019

October 16-17, 2019 | Vancouver, Canada

INVITATION

Meetings International proudly announces the **4th International Conference on Nutrition** scheduled during **October 16-17, 2019** at **Vancouver, Canada .** The conference emphasizes the theme "**Step up to Nutrition and Health**".

Meetings International provides an international dais for scientists and Diet & Nutrition professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. Good nutrition is one of the keys to a healthy life. We can improve a health life by keeping a balanced diet. Eat foods that contain vitamins and minerals. This includes fruits, vegetables, whole grains, dairy, and a source of protein. In science and human medicine, nutrition is the science or practice of consuming and utilizing foods.

Sincerely,
Operating Committee

ABOUT VANCOUVER

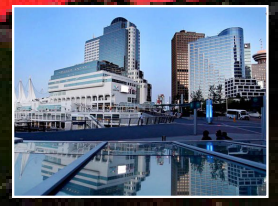

Vancouver is the third-biggest port by tonnage in the North America. Vancouver is the busiest and biggest in Canada, and the most enhanced port in North America. While ranger service remains its biggest industry, Vancouver is notable as a urban focus encompassed ordinarily, making the travel industry its second-biggest industry .This site, with its regular harbour, was chosen in 1884 as the end for the Canadian Pacific Railway, to the mistake of Port Moody, New Westminster and Victoria, all of which had competed to be the railhead. A railroad was among the promptings for British Columbia to join the Confederation in 1871, however the Pacific Scandal and contentions over the utilization of Chinese work deferred development until the 1880s. Vancouver is one of Canada's hottest urban communities in the winter. Vancouver has the coolest summer normal high of all real Canadian metropolitan regions. The mid year months are normally dry, with a normal of just a solitary one of every five days amid July and August getting precipitation. Vancouver is additionally one of the wettest Canadian urban communities.
