ABOUT ABU DHABI

Abu Dhabi, the capital of the United Arab Emirates, sits off the mainland on an island in the Persian (Arabian) Gulf. Its focus on oil exports and commerce is reflected by the skyline's modern towers and shopping megacenters such as Abu Dhabi and Marina malls. Beneath white-marble domes, the vast Sheikh Zayed Grand Mosque features an immense Persian carpet, crystal chandeliers and capacity. The Bani Yas bedouin were originally centred on the Liwa Oasis in the Western region of the Emirate. This tribe was the most significant in the area, having over 20 subsections. In 1793, Al Bu Falah subsection migrated to the island of Abu Dhabi on the coast of the Persian Gulf due to the discovery of fresh water there. One family within this section was the Nahyan family. This family makes up the rulers of Abu Dhabi today.
