Invitation

London, the capital city of United Kingdom, stands on the River Thames and is located southeast of the island of Great Britain. London covers an area of 1579 square kilometres. London is a leading global city excelling in the fields of arts, commerce, education, entertainment, Fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. As the world's largest financial center, London serves as an attractive destination for international investors and businessmen. The headquarters of important banks like HSBC, Royal Bank of Scotland, Barclays and Standard Chartered are located here. The city has the World's largest city airport. The host city also has some of the best medicine schools like The Imperial College London, the University College London, The King's College London, Queen Mary's University of London and St. George's University of London. In 2016, the idea of a global research hub in London was put forward, to bring over ten thousand scientists and clinical researchers together in order to accelerate advancements in cancer science. The Buckingham Palace, the Warner Bros Studio, the Madame Tussauds wax museum, Westminster Abbey, and the London Eye are important tourist destinations in this city.. EuroSciCon is now proudly hosting the upcoming 6th Edition of International Conference on Occupational Health and Public Safety, April 13-14, 2020, in London, UK. The theme we have focused upon "Spearheading the Transformation of Occupational Medical Research into Knowledge through Scientific Networking". Upcoming Congress Occupational health 2020 will now provide an unprecedented opportunity for Occupational Healthcare Professionals, Doctors, Physicians of all stripes and colours to share their research, view, ideas and experience with colleagues along with discussing and debate the latest advances in the field of Healthcare. We thereby invite Occupational Health Professionals, Doctors, Physicians,Pharmacologists and Researchers around World in related disciplines to come together and inform each other in an environment conducive to education and interaction. Experienced Researchers, young scientists, mid-professionals and just beginners are all welcome with a broad arrangement for Keynote Session, Panel conferences and debates, Symposium, Poster periods, E-poster opportunity, as well Workshops and so on. The Occupational Health 2020 Conference is the perfect venue not only to dive into your particular Occupational Health interests but also to expand the scope of your knowledge. We have been introducing more than 10 tracks that being devoted to subjects like Environmental and Occupational Health, Occupational Industrial Hygiene, Occupational Health Diseases and Dermatitis, Occupational Health Ergonomics, Act of Occupational Safety and Health, Occupational Health and Quality Management, Occupational Health Rehabilitation, Occupational Public Health-care & Safety, Occupational Health and Toxicology, Epidemiology as well as Risk assessment, Pediatric Occupational Therapy, Climate Change and Occupational Health, Occupational Physiotherapy, Mental Health, Modern Preventive Safety Measures and Regulatory area as well Future Scope of new development in Occupational Health and Public Safety. The Organizing Peer Committee and EuroScicon Management have done its best to set up a framework that we think will allow for a creative interplay of ideas. All we now need to convert the extensive program on paper to an active and vibrant Occupational Health forum in person is your active participation.

Best Regards,

Organizing Committee

2020

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Occupational health Specialists, Occupational Health Doctors and Pharmacologists accessing the website, Occupational Health 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Occupational Health 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

April 13-14, 2020
London, UK

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Occupational Health

2020

Who'd be attending?

6th Edition of International Conference on Occupational Health and Safety proudly hosting for the Multinational Organizations, Entrepreneurs across the World and also extends a warm welcome to all the professional researchers and academicians as well as business professionals to take at Congress. About Destination Berlin

After our completing our conference successfully Fourth Edition of International Conference on Occupational Public Health and Safety happened on May 28-29, 2018 at our decided venue Park Inn Hotel by Radisson and Conference Centre, Heathrow, London, UK. So we are looking forward to continuing our success and we once again taking the liberty to welcome you at our new destination in Berlin, Germany from April 23-24, 2019 for our upcoming Event on 5th Edition of International Conference on Occupational Health and Public Safety organizing by EuroScicon Pte Ltd. (Occupational Health 2019).

Berlin, the major Nation's capital and busiest city and also the political home of Germany's Federal Government and Educational center. The City is being positioned at the northeastern corner of Germany on the banks of the river Spree. On the Southern Bank along the Street of 17th June, monuments like the Berlin Zoo, Tiergarten, Brandenburg Gate, Reichstag and Scholes Bellevue are some good attractions that draw tourist's attention. Currently, several transportation plans and developments are undergoing with improving and extending the existing system and connecting the former East and West Berlin into one State.

We extend our warm Invitation to join and experience at our Conference on Occupational Health and Public Safety at this attractive metropolis as never before. Although one of the major rebuilding developments that have helped to make Berlin an attractive modern metropolitan city, as the glooms of World War II (1939-45) and the Berlin Wall still darken its recent history. This was the turning point in German Politics and controlling of Power, where Adolf Hitler (1889-1945) gained his control and rise at Supreme Command in 1933 by marching through the Brandenburg Gate and took over Parliament in the Reichstag building upon entire German Political and Administrative Control. In the year 1966 after the end of World War II and death of Hitler, Berlin had turned into Cold War battlefield that had separated into two halves one Soviet-influenced East and another American-influenced West by the Berlin Wall.
