EuroSciCon

Occupational Health

2023

Invitation

EuroSciCon is now proudly hosting the upcoming **10th International Conference on Occupational Health and Public Safety**, **April 13-14, 2023**, in **Barcelona, Spain**. The theme we have focused upon "**Workplace, Health & Safety: Eminence in Research & innovation**". Upcoming Congress Occupational Health Europe 2023 will now provide an unprecedented opportunity for Occupational Healthcare Professionals, Doctors, Physicians of all stripes and colours to share their research, view, ideas and experience with colleagues along with discussing and debate the latest advances in the field of Healthcare. We thereby invite Occupational Health Professionals, Doctors, Physicians,Pharmacologists and Researchers around World in related disciplines to come together and inform each other in an environment conducive to education and interaction. Experienced
Researchers, young scientists, mid-professionals and just beginners are all welcome with a broad arrangement for Keynote Session, Panel conferences and debates, Symposium, Poster periods, E-poster opportunity, as well Workshops and so on. The Occupational Health Europe 2023 Conference is the perfect venue not only to dive into your particular Occupational Health interests but also to expand the scope of your knowledge. We have been introducing more than 10 tracks that being devoted to subjects like Environmental Safety And Occupational Health, Occupational Health And Safety, Occupational Industrial Safety And Hygiene, Occupational Health And Safety Administration, Occupational Health And Preventive Care, Occupational Health Ergonomics, Occupational Health Medicine, Occupational Health Psychology And Work Environment, Women Health In Occupational Sector, Agricultural Health And Environmental Safety, Pediatric Occupational Therapy, Occupational Public Health And Safety, Occupational Fire Safety, Climate Change And Occupational Health. The Organizing Peer Committee and EuroScicon Management have done its best to set up a framework that we think will allow for a creative interplay of ideas. All we now need to convert the extensive program on paper to an active and vibrant Occupational Health forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

1. Curated to address the concerns of today's scientific world
2. Be inspired by some of the world's most renowned figures
3. Stimulate new ways of thinking and provoke action.
4. Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

With over 26000+ Ophthalmologists accessing the website, Occupational Health 2023 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. 2023

About Destination London

London comprises four World Heritage Sites: the Tower of London; Kew Gardens; the site covering the Palace of Westminster, Westminster Abbey, and St Margaret's Church; and the historic settlement of Greenwich. Further landmarks include Buckingham Palace, the London Eye, Piccadilly Circus, St Paul's Cathedral, Tower Bridge, Trafalgar Square and The Shard. London is home to numerous museums, galleries, libraries, sporting events and other cultural institutions, including the British Museum, National Gallery, Natural History Museum, Tate Modern, British Library and West End theatres. The London Underground is the hoariest underground railway network in the world.

Cultural Diversity: London is the centre of the world – and a world in one city, with a wealth of different cultures and communities across the capital. It has more than 300 languages and cuisine from over 70 countries. While English is the official language, several European languages are very widely spoken in and around London. Given the size of the large multicultural population, many other languages are also used in everyday life.

Transportation: London's fantastic transport system, with its Tube, red buses and black taxis, will enable you to get around the city quickly and easily.

History: London's history stretches back over thousands of years, and the city boasts four World Heritage Sites: the Palace of Westminster and Westminster Abbey, the Tower of London, Maritime Greenwich and the Royal Botanic Gardens, Kew.
