16th World Oncologists Congress

Theme:

Exploration of Building Blocks for Advancing Cancer Research

EuroSciCon

Oncologists Congress

2019

Invitation

Welcome to Baltimore, the Baltimore City with historical center and modern culture, and experience the science of oncology illuminated as never. EuroSciCon is proud to host the 16th World Oncologists Congress, December 09-10, 2019, in Baltimore, USA. This year's theme is Journey from Screening to Curing Cancer. Oncologists Congress 2019 will provide an unprecedented opportunity for oncologists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite oncologists and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Oncology Conference is the perfect venue not only to dive into your oncological interests but also to expand the scope of your knowledge. The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant oncological forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ oncologists accessing the website, Oncologists Congress 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fueling better outreach of the work and profile.

Oncologists Congress 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

Oncologists Congress

2019

Who'd be attending?

16th World Oncologists Congress plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Oncology Consultants, Investigative Oncologists Regulatory Professionals, Laboratory Directors, Oncologists and others who stay plunged in learning and practice of the science of clinical oncology and molecular diagnostics.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Oncology
- Organ Defined Cancer
- Cancer Metastasis
- Cancer Biomarkers
- Cancer Screening
- Cancer Diagnosis and Diagnostics
- Cancer Therapy
- Tumor Immunology
- Radiation Oncology
- Chemotherapy
- Clinical Oncology
- Surgical Oncology
- Cancer Research & Clinical Trials
- Cancer Pharmacology
- Cancer Nanotechnology
- Oncology Nursing Care

About Destination Baltimore

Baltimore is the largest city in the State of Maryland with a long history as an important seaport and the 30th-most populous city in the United States. Baltimore was traditional by the Constitution of Maryland and is an independent city that is not part of any county Founded in 1729. Baltimore is the second-largest seaport in the Mid-Atlantic With hundreds of tarnished districts; Baltimore has been christened a “city of neighborhoods.” Famous inhabitants have incorporated writers Edgar Allan Poe, Edith Hamilton, Frederick Douglass, Ogden Nash, and H. L. Mencken; jazz musician James “Eubie” Blake; singer Billie Holiday; actor and filmmakers John Waters and Barry Levinson; and baseball player Babe Ruth. During the War of 1812, Francis Scott Key wrote “The Star-Spangled Banner” in Baltimore after the barrage of Fort McHenry. His poem was set to music and commercialized as a song; in 1931 it was designated as the American national anthem. Baltimore has extra public statues and monuments per capita than any other city in the country.
