

EuroSciCon

4th International Conference on

World Oncology and Cancer Science Summit

June 15-16, 2020
Dublin, Ireland

Theme:

Exploring Treatment and Prevention of Oncology and Cancer

EuroSciCon

Oncology

2020

Invitation

EuroSciCon is organizing meeting on 4th International Conference on World Oncology and Cancer Science Summit is scheduled from June 15-16, 2020 at Dublin, Ireland. EuroSciCon is the UK based independent life science Events Company with predominantly business and academic client base.

The 2020 meeting promises to be a dynamic and informative event and going to explore the issues on work related factors, innovations and integrated approaches towards Oncology, the speakers are a multidisciplinary gathering of globally perceived specialists that speak on the Oncology with a theme on ***Exploring Treatment and Prevention of Oncology and Cancer***

This is 2-day Meeting and you can participate in a number of educational formats including General Sessions, Poster Presentations, and Workshops/Symposium, Meet-the-Professor Sessions, Oral Presentations and other interactive and informal exchanges.

Topics will cover the latest advances in Environmental and physical Oncology, Human-machine systems, Anthropometrics, Cognitive Oncology and many more...

We trust you will discover the Meeting beneficial, enlightening and agreeable. We want to thank all EuroSciCon Members and participants whose commitments and cooperation have been basic to the accomplishment of the association!!

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

June 15-16, 2020
Dublin, Ireland

EuroSciCon

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Ergonomists, Engineers, Scientists, Students Technologists accessing the website, EuroSciCon Oncology & Human Factors 2020 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Oncologists Congress 2020 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

June 15-16, 2020
Dublin, Ireland

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Who'd be attending?

EuroSciCon Conference on 4th International Conference on Oncology & Human Factors plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Ergonomists, Engineers, Scientists, Students and others who stay plunged in learning and practice in the Oncology & its technologies.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 19 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Field Of Oncology
- Cancer & Stem Cell Therapy
- Cancer Cell Biology & Genetics
- Clinical Research On Oncology
- Cancer Metastasis
- Neuro-Oncology
- Clinical Oncology
- Biology And Cancer
- Oncology Â€“ Surgical
- Precision Cancer Medicine & Oncology
- Nanotechnology In Oncology Treatment
- Cancer & Stem Cell Therapy
- Hematology And Oncology
- Infectious Diseases And Oncology
- Surgical And Clinical Oncology
- Cancer Biopsy
- Cancer Awareness
- Neonatal & Pediatric Oncology
- Oncology Radiology
- Tumor Biology
- Oncogenomics
- Cancer Vaccines
- Bioscience- Oncology
- Urological Oncology
- Clinical Oncology
- Cancer Drugs
- Oncology Surgery
- Drug Development In Oncology
- Signalling Pathways And Immuno-Oncology
- Future Of Cancer Research

EuroSciCon

About Destination Dublin

Dublin is the capital and most populous city of Ireland standing on the island in the North Atlantic. It is separated from Great Britain to its east by the North Channel . Dublin is a leading global city in the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism and transportation. It is one of the leading tourist destinations in the world.

Top Attractive Places to Visit in Dublin

The city is covered with many famous tourist attractions like Guinness Storehouse, Temple Bar, Dublin Castle, Phoenix Park, Kilmainham Gaol, St Stephen's Green, Christ Church Cathedral, Jameson Distillery Bow St., Dublin Zoo and many other historical places which make the visitors more captivated towards the city.

Guinness Storehouse: It is a tourist attraction at St. James's Gate Brewery in Dublin, Ireland. Since opening in 2000, it has received over twenty million visitors. Brewery experience telling the tale of Ireland's famous beer, with tastings and a rooftop bar.

Temple Bar: Temple Bar is a busy riverside neighbourhood, spread over cobbled pedestrian lanes. Crowded pubs host live folk music and DJ sets, and diners pack restaurants serving Asian, American and Irish cuisine. Quirky boutiques stock clothes and crafts by local designers. The National Photographic Archive highlights Ireland's past, while the Project Arts Centre and Temple Bar Gallery + Studios shows contemporary art.

Dublin Castle: Dublin Castle is a major Irish government complex, conference centre, and tourist attraction. It is located off Dame Street in Dublin. Until 1922 it was the seat of the British government's administration in Ireland. Dublin Castle is a major Irish government complex, conference centre, and tourist attraction. It is locate

Past Conference Report

International Conference on Oncology Care & Nursing was organized during December 09-10, 2019 at December 09-10, 2019. With the support and contribution of the Organizing Committee Members, we successfully hosted the event at the conference venue.

Firstly we must thank you for trusting us and participating at Oncology Care & Nursing 2019, a global platform to discuss various important aspects of Oncology and its application.

There are infinite reasons to extend our gratitude to you for making the ONCOLOGY CARE 2019 outstanding conference. We couldn't have done it without your continuous support and believe towards our organization, which mutually made to achieve new height in the field of Oncology.

The conference was marked by the attendance of Scientists, Professors, Young and brilliant researchers, Business delegates and talented student communities representing more than 30 countries, who have driven this event into the path of success.

The conference was organized around the theme **"Oncology Nursing Across the Care Continuum"**. The event implanted a firm relation of upcoming strategies in the field of Oncology with the scientific community. The conceptual and applicable knowledge shared, will also foster organizational collaborations to nurture scientific accelerations. **Mr Ernie Davis,** Powerhouse Motivations Coaching & Leadership Solutions, USA was the moderator of ONCOLOGY CARE 2019. We are much thankful to Ernie Davis for his great support and help in making this event more interesting.

The conference proceedings were carried out through various Scientific-sessions and plenary lectures, of which the following Speakers were highlighted as Keynote speakers **Paola Tomasello,** Giustino Fortunato University, Italy; **Aleksandar Susic,** University of Zagreb, Croatia; **Deborah Alperovitch-Najenson,** Tel Aviv University; University of Ben-Gurion of the Negev, Israel; **Don G. Bouwhuis,** University of Technology, Netherlands; **Antonio Chialastri,** STASA think-tank, Italy; **Ahmet Fahri Ozok,** Okan University, Turkey. The conference witnessed an amalgamation of peerless speakers, Keynote speakers, well-known researchers and delegates who enlightened the crowd with their enviable research knowledge and on various alluring topics related to the field of Oncology through their fabulous presentations at the podium of Oncology 2018.

Euroscicon offers its heartfelt appreciation to all the Organizing Committee Members, Chairs and Co-chairs, Speakers, Students, Media Partners and Editorial Board Members of Archives of Medicine journal, who supported the conference in every aspect for the awe-inspiring exhibition at the venue.

We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. So as continuation of International Conference on Oncology Care & Nursing 2019 we would like to heartily invite you to our upcoming 4th International Conference on Oncology & Human Factors scheduled June 15-16, 2020 Dublin, Ireland. We look forward to seeing your benign presence with active contribution and support to make this event successful once more.
