3rd International Conference On

Oncology

August 22-23, 2024 | Vienna, Austria

Theme: Cancer Revolution: Empowering Innovation, Equity, And Resilience

VISIT US

https://www.meetingsint.com/conferences/oncology

Dear Attendees,

Meetings International is honoured and privileged to welcome all oncologists and

oncology professionals to attend our most remarkable conference, the **3rd International Conference On Oncology**, which transpires on **August 22 – 23, 2024**, in **Vienna, Austria** With representatives from all the major countries where cancer therapy research is ongoing in attendance, the atmosphere is exciting with open and friendly interaction between attendees.

After three spectacular successes and overwhelming responses from our previous conferences, we eagerly anticipate bringing together the worldwide audience and attendees once again to pave the way for Oncology 2024 with an indigenous theme of Advancements and Breakthroughs in Oncology.

Hope you all join and make the year's most exciting event successful.

We accept abstracts for oral presentations; therefore request you all submit the abstracts

at the earliest before the early bird dates.

Sincerely,
Operating Committee
Oncology 2024

Young Research Forum:

The Young Scientist Awards will be presented by MeetingsInt at the **3rd International Conference on Oncology**, which will take place in **Vienna, Austria, August 22–23, 2024**. The newest developments and usage of cancer treatments are the main topics of this oncology conference. **Oncology 2024** and subsequent conferences will award excellent Young Scientist Awards to participants who have made a substantial contribution to the oncology scientific community. Through the Young Scientist Award, young researchers will have the chance to meet specialists and exchange experiences at our international conferences, offering them a strong opportunity for professional development.

Benefits:

All presented abstracts will automatically be considered for the Award.

All the presentations will be evaluated in the conference venue

All the awards will be selected by the judges of the award category

The winners of the Young Scientist Award will receive an award certificate.

The awards will be assessed as far as plan and format, intelligence, argumentation and approach, familiarity with past work, engaging quality, message and primary concerns, parity of content visuals, and by and large impression.

13:30 - 15:30	Sessions
15:30 - 15:45	Coffee/Tea Break
15:45 - 17:30	Sessions

VENUE:

Vienna, Austria

Visiting Vienna for an oncology conference holds immense importance for professionals in the field. Firstly, the city's reputation as a hub for medical research and innovation ensures access to cutting-edge insights and advancements in oncology. With renowned institutions like the Medical University of Vienna and the Vienna General Hospital, attendees can engage with leading experts, exchange ideas, and foster collaborations that may drive breakthroughs in cancer treatment and care. Moreover, Vienna's rich cultural heritage offers a conducive environment for networking and relaxation, facilitating informal discussions and the forging of lasting professional relationships. The city's well-developed infrastructure and efficient transportation system further enhance the conference experience, ensuring seamless logistics for attendees traveling from around the globe. .
