Ophthalmology Congress

Theme:

An eye on the update of ophthalmology

EuroSciCon

Ophthalmology

2020

Invitation

Welcome to London, the City of Arts and Science, and experience the science of Ophthalmology illuminated as never before. EuroSciCon is proud to host the 27th Edition of European Ophthalmology Congress,April 15-16, 2020 in London, UK. This year's theme is Visualizing the Achieves and Global Enhancements in Ophthalmology. Ophthalmology 2020 will provide an unprecedented opportunity for Ophthalmologists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Ophthalmologists, Opticians, Ocularists, Orthoptists, Ophthalmic medical practitioner, Optometrist Popular Researchers and Scholars in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Ophthalmologists Conference is the perfect venue not only to dive into your particular ophthalmology interests but also to expand the scope of your knowledge. The tracks are devoted to subjects such as the Eye Anatomy/ Comprehensive Eye Care, Types of Ophthalmology, Ophthalmic research and Drug delivery, Instruments of Ophthalmology, Ophthalmology for the General practitioner, Ophthalmology Disorders, Eye Conditions and Treatments, Ocular Genetics, Ophthalmology Surgery, Vision Rehabilitation, Ocular Pharmacology - Ocular Pharmacotherapeutics, Ocular Microbiology - Ocular Immunology, Ophthalmic Vision Science, Ophthalmologists Career & Training, Ophthalmology Practice, Ophthalmic Case Studies, LENS, Opthalmology Technologies, Ophthalmology Softwares Ophthalmology Practice .

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Ophthalmological forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 26000+ Ophthalmologists accessing the website, Ophthalmologists 2020 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Ophthalmologists 2020 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 26 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Ophthalmology

2020

Who'd be attending?

27th Edition of European Ophthalmology Congress plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Ophthalmology Consultants, Opticians, Ocularists, Orthoptists, Ophthalmic medical practitioner, Optometrist Popular Researchers and Scholars, Ophthalmology Associates and Societies, Business Entrepreneurs, Vision Research Labs Members, Software developing companies, Associations Manufacturing Medical Devices and others who stay plunged in learning and practice of the science of Ophthalmology.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Comprehensive Eye Care
- Smart phones And Eyestrain
- Latest Research In Ophthalmology And Vision Improvement
- Retina And Retinal Disorders
- Cornea And Corneal Diseases
- Glaucoma
- Cataract And Refractive Surgery
- Dry Eye & Uveitis
- Ocular Trauma
- Diabetic Retinopathy
- Oculoplastics And Orbit Surgery
- Ophthalmic Genetics
- Neuro-Ophthalmology
- Paediatric Ophthalmology
- Ocular Oncology And Ocular Pharmacology
- Ophthalmic Pathology
- Optometry
- Vision Science And Vision Therapy
- Ocular Inflammation And Immunology

About Destination London

London comprises four World Heritage Sites: the Tower of London; Kew Gardens; the site covering the Palace of Westminster, Westminster Abbey, and St Margaret's Church; and the historic settlement of Greenwich. Further landmarks include Buckingham Palace, the London Eye, Piccadilly Circus, St Paul's Cathedral, Tower Bridge, Trafalgar Square and The Shard. London is home to numerous museums, galleries, libraries, sporting events and other cultural institutions, including the British Museum, National Gallery, Natural History Museum, Tate Modern, British Library and West End theatres. The London Underground is the hoariest underground railway network in the world.

Cultural Diversity

London is the centre of the world – and a world in one city, with a wealth of different cultures and communities across the capital. It has more than 300 languages and cuisine from over 70 countries. While English is the official language, several European languages are very widely spoken in and around London. Given the size of the large multicultural population, many other languages are also used in everyday life.

Transportation

London's fantastic transport system, with its Tube, red buses and black taxis, will enable you to get around the city quickly and easily.

History

London's history stretches back over thousands of years, and the city boasts four World Heritage Sites: the Palace of Westminster and Westminster Abbey, the Tower of London, Maritime Greenwich and the Royal Botanic Gardens, Kew.
