31st World Conference on

Ophthalmology Congress

Theme: *Advancement of Current Evaluation on*

Ophthalmology

Invitation

Welcome to Spain, the City of Arts and Science, and experience the science of Ophthalmology illuminated as never before. EuroSciCon is proud to host the **31st World Conference on Ophthalmology Congress, October 16-17, 2023 Madrid, Spain**. This year's theme is "**Advancement of Current Evaluation on Ophthalmology**". **Ophthalmology 2023** will provide an unprecedented opportunity for Eye of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Ophthalmology, Ophthalmic education, Current education and Expertise meeting. World-leading health experts, clinicians, educators and scientists. Popular Researchers and Scholars in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Eye Conference is the perfect venue not only to dive into your particular ophthalmology interests but also to expand the scope of your knowledge. The tracks are devoted to subjects such as the ***Comprehensive Eye Care, Latest Research in Ophthalmology and Vision Improvement, Smartphones and Eyestrain, Retina and Retinal Disorders, Cornea and Corneal Diseases Glaucoma, Cataract And Refractive Surgery, Dry Eye & Uveitis, Ocular Trauma.***

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Eye forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.
