

EuroSciCon

8th World Congress on

Optics, Lasers and Photonics

July 15-16, 2020
Vienna, Austria

Theme:

Excellence in the Recent Research and cutting-edge Technologies of Lasers, Optics and Photonics!!

EuroSciCon

Optics

2020

Invitation

EuroSciCon is organizing meeting on 8th World Congress on Optics, Lasers and Photonics is scheduled from July 15-16, 2020 at Vienna,Austria. EuroSciCon is the UK based independent life science Events Company with predominantly business and academic client base.

The 2020 meeting promises to be a dynamic and informative event and going to explore the issues on work related factors, innovations and integrated approaches towards Optics, the speakers are a multidisciplinary gathering of globally perceived specialists that speak on the Optics with a theme on ***Excellence in the Recent Research and cutting-edge Technologies of Lasers, Optics and Photonics!!***

This is 2-day Meeting and you can participate in a number of educational formats including General Sessions, Poster Presentations, and Workshops/Symposium, Meet-the-Professor Sessions, Oral Presentations and other interactive and informal exchanges.

Topics will cover the latest advances in Optics, Lasers, Photonics and many more...

We trust you will discover the Meeting beneficial, enlightening and agreeable. We want to thank all EuroSciCon Members and participants whose commitments and cooperation have been basic to the accomplishment of the association!!

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

July 15-16, 2020
Vienna, Austria

EuroSciCon

Optics

2020

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

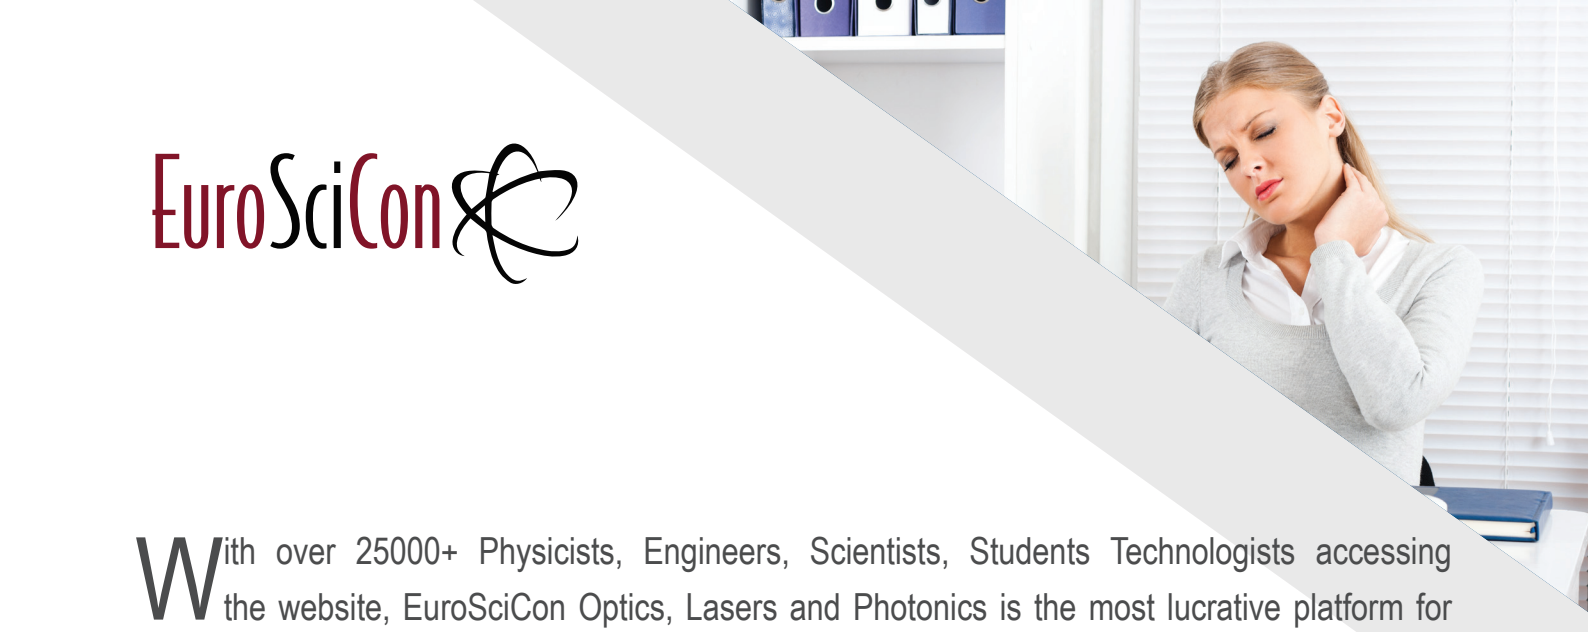

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Physicists, Engineers, Scientists, Students Technologists accessing the website, EuroSciCon Optics, Lasers and Photonics is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Optics, Lasers and Photonics 2020 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

July 15-16, 2020
Vienna, Austria

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Optics

2020

Who'd be attending?

EuroSciCon Conference on 8th World Congress on Optics, Lasers and Photonics July 15-16, 2020, Vieanna, Austria plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Physicists, Engineers, Scientists, Students and others who stay plunged in learning and practice in the Optics & its technologies.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 19 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Laser Systems
- Optics And Lasers In Medicine
- Optoelectronics
- Nanophotonics And Biophotonics
- Quantum Optics
- Optical Physics
- Technologies In Lasers Optics And Photonics
- Fiber Laser Technology
- Optical Metrology
- Laser Ultrasonics And Techniques And Applications
- Laser Damage Threshold
- Silicon And Carbon Photonics
- Semiconductor Lasers Tunable And Multi Wavelength Lasers
- Optical Imaging And Sensing
- Laser Absorption Spectroscopy
- Trending Technologies In Photonics And Lasers
- Application Of Lasers And Photonics In Industries
- Virtual World Of Photonics
- Micro Photonics
- Fiber Optic Lasers
- Laser Controlled Areas
- Laser Photochemistry
- Quantum Photonics
- Advancements In Photonics
- Photonics And Its Devices
- Optical Technologies
- 3D Laser Triangulation
- Electronic-Photonic Integrated Circuits And Systems
- Photonics In Optics
- Quantum Electrodynamics

EuroSciCon

About Destination Vienna

Vienna, also described as Europe's cultural capital, is a metropolis with unique charm, vibrancy and flair. It boasts outstanding infrastructure, is clean and safe, and has all the inspiration that you could wish for in order to discover this wonderful part of Europe.Vienna, the capital of Austria, 2 million inhabitants, is situated on the banks of the Danube. The influx of visitors from all over the world has made Vienna the most popular urban tourist destination in Austria.

Top Attractive Places to Visit in Vienna

TRich in culture, stylish in taste, and stunning in architecture, Vienna is the stunning legacy of famous musicians, artists, poets, and architects. Set gracefully on the eastern banks of the Danube River, this capital city of Austria is full of architectural marvels and hidden gems to be explored. So spare yourself some time, and take a look at this extensive list of best places to visit in Vienna, which will blow your mind away on your next trip to Austria.

The Hofburg: Much more popular as the Imperial Palace which once served as the powerful seat of the rulers of the Habsburg dynasty, the Hofburg today serves as the iconic seat of power, workplace, and the residence of the President of Austria

St. Stephen's Cathedral: The architectural marvel of St. Stephen's Cathedral is not just a historical monument but a symbol that has brought much recognition to the entire country. One of the most beloved landmarks of Vienna, St. Stephen's Cathedral has guarded the city for more than 700 years now. Not just that, one can also relish magnificent views of the city by climbing about 343 steps which leads one atop the tower.

Schönbrunn Palace and Gardens: Having served as the summer residence to the Habsburg emperors, the Schönbrunn Palace and Gardens is indeed one of the most historical monuments in Vienna. Comprising of a whopping 1,441 rooms, the palace reflects the beauty and charm of Baroque architecture in all its magnificence. Considered to be an architectural and cultural icon, this grand palace is undoubtedly one of the best places to visit in Vienna

EuroSciCon

Tentative Program

Day 1

07:00–08:00 (All Attendees)
Continental Breakfast & Registration
08:00–08:30 (All Attendees)
Introductions & Welcome

08:30~09:00 (All Attendees)
Opening Ceremony
09:00~09:40 Plenary Talk–1
09:40~10:20 Plenary Talk–2
Refreshment and Networking Break
10:40~12:30 General Session
(Oral Presentation)
12:30~13:30 Gala Lunch
13:30~15:30 Keynote Talk 1, 2, 3
Refreshment and Networking Break
15:30~17:00 General Session
(Oral Presentation)
17:00~18:00 General Session
(Oral Presentation)
18:00~18:30 Networking Session

Day 2

09:00~09:40 Plenary Talk 3
09:40~10:20 Plenary Talk 4
Refreshment and Networking Break
10:20~12:30 Keynote 4, 5, 6
Lunch Break
12:30~13:30 General Session
(Oral Presentation)
13:30~15:30 Refreshment and Networking Break
15:30~16:30 General Session
(Oral Presentation)
16:30~18:00 Poster Session
18:00~18:30 Networking Session & Closing Ceremony
