Dear Attendees,

The **8th International Conference on Orthopedics** brings a chance to share and discuss all the researches in Orthopedics which is going to be scheduled during **November 13-28, 2024** in **Rome, Italy**. The main motto of **Orthopedics 2024** is to bring a new platform to share new ideas and all the innovations in the field of Orthopedics with the theme of the conference **"Revitalize in Orthopedic care - restore your Future health"**. It mainly targets all the scientists, young researchers and industrialists across the globe to interchange their ideas and share their experiences, discuss the enhancements in technology, practical challenges, and advanced instrumentation and analysis results.

Orthopedics 2024 is a specially designed cluster conference which consists of keynote presentations, Oral talks, Poster presentations, Workshops, Panel Discussions and Exhibitions, Young Researcher Forums (YRF), Best Poster Award, Industry academic interactive sessions, and Industry Presentations etc.

Sincerely,
Operating Committee
Orthopedics 2024

Young Research Forum:

Meetings International is announcing the Young Scientist Awards through 8th International Conference on Orthopedics which is scheduled in Rome, Italy on November 13-28, 2024. This Orthopedics 2024 focuses on Revitalize in Orthopedics surgery - restore your Future health. The Rheumatology research meeting and upcoming conferences will recognize participants who have significantly added value to the scientific community of Medical science and provide them outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researches by meeting experts to exchange and share their experiences at our international conferences.

Benefits:

The Young Scientist Feature is a platform to promote young researchers in their respective area by giving them a chance to present their achievements and future perspectives

Acknowledgement as YRF Awardee Promotion on the conference website, Young Scientist Awards and certificates Link on the conference website Recognition on Meetings Int. Award Page Chances to coordinate with partners around the world Research work can be published in the relevant journal without any publication fee

15:30 - 15:45	Coffee/Tea Break
15:45 - 17:30	Sessions

DAY 02/ November 14, 2024

Time	Session
09:00 - 10:00	Keynote Forum
10:00 - 10:15	Coffee/Tea Break
10:15 - 13:00	Sessions
13:00 - 13:30	Lunch Break
13:30 - 15:30	Sessions
15:30 - 15:45	Coffee/Tea Break
15:45 - 17:30	Sessions

VENUE:

Rome, Italy

Roman Italy is one of the greatest cities on Earth. Our 3-days Roman itinerary will give you all of Roman top attractions. There are so many beautiful places less than two hours away. Rome is considered the world's second most historically, educationally and culturally interesting and beautiful city. Here are some of the best day trips from Rome: Colosseum, Pantheon, Trevi Fountain, Piazza Navona, Basilica di San Pietro in Vincoli, Naples, Pompeii, Florence, Tuscany, Tivoli, and the city is located in the central-western portion of the Italian Peninsula, within Lazio (Latium), along with the shores of Tiber River. Vatican City is an independent country within the city boundaries of Rome, the only existing example of a country within a city: for this reason, Rome has been often defined as the capital of two states.
