Dear Attendees,

The **8th International Conference on Orthopedics** brings a chance to share and discuss all the researches in Orthopedics which is going to be scheduled during **June 27-28, 2024** in **Paris France**. The main motto of **Orthopedics 2024** is to bring a new platform to share new ideas and all the innovations in the field of Orthopedics with the theme of the conference **"Revitalize in Orthopedic care - restore your Future health"**. It mainly targets all the scientists, young researchers and industrialists across the globe to interchange their ideas and share their experiences, discuss the enhancements in technology, practical challenges, and advanced instrumentation and analysis results.

Orthopedics 2024 is a specially designed cluster conference which consists of keynote presentations, Oral talks, Poster presentations, Workshops, Panel Discussions and Exhibitions, Young Researcher Forums (YRF), Best Poster Award, Industry academic interactive sessions, and Industry Presentations etc.

Sincerely,
Operating Committee
Orthopedics 2024

Meetings International
WITH US

ORTHOPEDICS 2024

Scientific Sessions:

- Orthopaedic
- Modern Orthopedics
- Orthopaedic Surgery
- Trauma and Fractures
- Rheumatology
- Musculoskeletal Oncology
- Osteoporosis
- Shoulder, Elbow, Hip & Knee Reconstruction
- Cartilage
- Arthritis & joint replacement
- Bone grafting
- 3D Printing Orthopaedic & Robotics

To identify the future directions of research

Peer review and high quality publication

Young Research Forum:

Meetings International is announcing the Young Scientist Awards through 8th International Conference on Orthopedics which is scheduled in Paris France on June 27-28, 2024. This Orthopedics 2024 focuses on Revitalize in Orthopedics surgery - restore your Future health. The Rheumatology research meeting and upcoming conferences will recognize participants who have significantly added value to the scientific community of Medical science and provide them outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researches by meeting experts to exchange and share their experiences at our international conferences.

Benefits:

The Young Scientist Feature is a platform to promote young researchers in their respective area by giving them a chance to present their achievements and future perspectives

Acknowledgement as YRF Awardee Promotion on the conference website, Young Scientist Awards and certificates Link on the conference website Recognition on Meetings Int. Award Page Chances to coordinate with partners around the world Research work can be published in the relevant journal without any publication fee

DAY 01/ June 27, 2024
