2ND EUROPEAN PATHOLOGY CONGRESS

Pathology Congress 2019

May 20-21, 2019 | Berlin, Germany

INVITATION

Pathology Congress 2019

Meetings International proudly announces the **2nd European Pathology Conference** scheduled during **May 20-21, 2019 at Berlin, Germany.** The conference emphasizes the theme "**Emphasizing The Modernizations in Pathology**".

Meetings International provides an international dais for scientists and pathologists to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. The importance of pathology has come into spotlight in the recent years. The main objective of pathology is to study the diseases by examining the body tissues sample (e.g. biopsies/pap smears) and body fluids (e.g. blood/urine etc.).Pathology includes every aspect of the patients care, starting from diagnostics to treatment advices and prevention.

Sincerely,
Operating Committee

ABOUT BERLIN

Berlin is the capital and the biggest city of Germany and in addition one of its 16 constituent states. With a populace of roughly 3.7 million, Berlin is the second most crowded city legitimate in the European Union and the seventh most crowded urban territory in the European Union. Situated in northeastern Germany on the banks of the streams Spree and Havel, it is the focal point of the Berlin-Brandenburg Metropolitan Region, which has around 6 million inhabitants from more than 180 countries. Because of its area in the European Plain, Berlin is affected by a calm occasional atmosphere. Around 33% of the city's region is made out of woods, parks, gardens, streams, channels and lakes.

The top Tourist Attractions in Berlin are The Brandenburg Gate, Museum Island, Charlottenburg Palace and Park, Unter den Linden, The Gendarmenmarkt, Kaiser Wilhelm Memorial Church, Berlin Cathedral Church etc.
