Patient Safety

2019

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

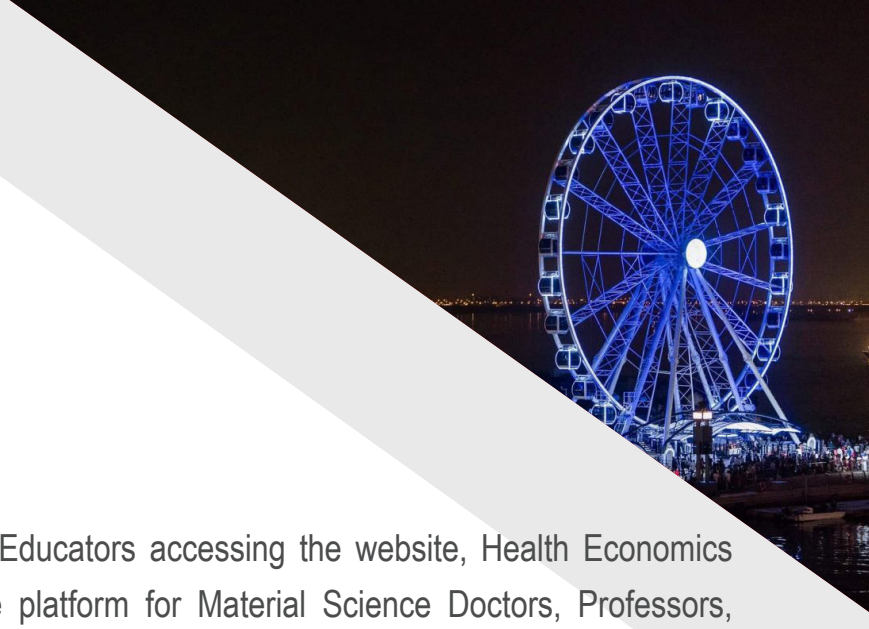

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ professionals and Educators accessing the website, Health Economics Summit 2019 is the most lucrative platform for Material Science Doctors, Professors, Researchers, Academicians and Industry professionals pursuing their work in the field. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Patient Safety 2019 Sailent Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

November 07-08, 2019
Dubai, UAE

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 300+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Patient Safety

2019

Who'd be attending?

The conference will bring together Directors, Surgeons, Doctors, Physicians, Doctors, Director of Laboratories, Universities, Industries, Professors, Delegates, Research specialists, Post-Doctoral Fellows, Researchers and Students, Research companies, and Consulting Firms and all the interested participants willing to enhance and update the knowledge on Public Health Summit.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 18 years of Engineering Communication it focuses on to Spearheading the Transformation of Research into Knowledge through Scientific Gatherings and Networking. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Patient Safety
- Health Care
- Nursing
- Ethical and legal aspects of Patient Safety
- Hospital- Acquired Infections
- Infection Prevention & Control
- Errors in Patient Safety
- Primary Health Care
- Clinical Trails
- Women's Health & Patient Safety
- Patient Safety Factors
- Occupational Health & Safety
- Healthcare-Associated Infections
- High-Alert Medication Safety
- Medication Reconciliation to Prevent Adverse Drug Events
- Person- and Family-Centred Care
- Surgical Site Infection

About Destination Dubai

Dubai is that the largest and most thickly settled town within the United Arab Emirates (UAE). On the southeast coast of the Persian Gulf; it's the capital of the Emirate of port, one in all the seven emirates that frame the country. port could be a international town and business hub of the center East it's additionally a serious international transport hub for passengers and lading. Oil revenue helped accelerate the event of the town, that was already a serious mercantile hub, however Dubai's oil reserves ar restricted and production levels ar low: nowadays, but five-hitter of the emirate's revenue comes from oil A growing centre for regional and international trade since the first twentieth century, Dubai's economy nowadays depends on revenues from trade, tourism, aviation, property, and monetary services

Dubai has attracted world attention through massive construction comes and sports events, above all the world's tallest building, the Burj Khalifa. As of 2012, port was the foremost overpriced town within the geographical area. In 2014, Dubai's building rooms were rated because the second most costly within the world. port encompasses a hot desert climate. Summers in port ar very hot, windy, and humid, with a mean high around forty one °C (106 °F) and long lows around thirty °C (86 °F) within the hottest month, August. port has one in all the world's lowest crime rates, and in 2018 was hierarchical the eighth-safest town within the world. the safety business administrative unit classified the crimes into six classes. These crimes embrace thieving, forced theft, domestic felony, fraud, regulatory offense and abuse, and criminal damages.
