Dementia 2019

Dear Attendees,

We are glad to announce the 13th International Conference on Alzheimer's Disease & Dementia to be held in Paris, France from November 14-15, 2019 organized by Conference Series llc LTD, UK in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Dementia 2019 is centered with the theme "Advancements and Breakthroughs in the Fields of Dementia Research and Development".

We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Dementia Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Paris this November.

Sincerely,
Dementia 2019
Organizing Committee

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook fans Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be

published inrespective Conference Series llc LTD Journals

Each abstract will be provided with digital Object Identifier by Crossref

Dementia 2019

About Conference

Dementia 2019 Conference website is attracting 25000+ Neurologists, Neurosurgeons, Neurophysiologists, psychiatrists, physiatrists, Pharmacists, online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Dementia 2019 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Alzheimer's Disease & Dementia present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

Dementia 2019

About Paris

Paris is the capital and most populous city of France, with an area of 105 sq. kilometers and official estimated population of 2,140,526 residents as of January 01st 2019. Since he 17th century, Paris is one if Europe's major centers of finance, diplomacy, commerce, fashion, science and the arts. The city of Paris is the center and seat of government of the Ile-de-France or Paris region, which has an estimated official 2019 population of 12,213,364 or about 18 percent of the population of France. Paris is in northern central France, in a north-bending arc of the river Seine. Paris has a typical Western European oceanic climate. The security of Paris is mainly the responsibility of the Prefecture of Police of Paris, a subdivision of the Ministry of the Interior of France. The most expensive residential streets in Paris in 2018 by average price per square meter were Avenue Montaigne and Rue de Furstemberg at 18,839 Euros per square meter.

Economy of the city of Paris is based largely on services and commerce of the 390,480 enterprises in the city, 80.6 percent are engaged in commerce, transportation, and diverse services, 6.5 percent in construction and 3.9 percent in industry. The Majority of Paris salaried employees fill 370,000 businesses services jobs, concentrated in the north-western 8th 16th, 17th arrondissements.

Paris was the third-busiest airline destination in the world, with 19.03 million visitors behind Bangkok and London. Paris is an international capital of high fashion since the 19th century particularly in the domain of haute couture, clothing hand-made to order for private clients.

You'll fall in love with Paris
