About EuroSciCon

Euroscicon Conference on Polymer Chemistry 2021 Webinar plays host for the Multinational organizations, entrepreneurs across the globe,Eminent Scientists/ Research Professors in the field of polymer chemistry, Junior/Senior research fellows, Students, Directors of polymer research companies, Chemical Engineers, Members of Chemistry associations and exhibitors from Polymer Industry/Plastic Industries and others who stay plunged in learning and practice of the science of Polymer Chemistry.

About EuroSciCon

1. . Recent Developments In Polymer Synthesis
2. . Polymer Design And Reaction
3. . Polymer Physics And Characterizations
4. . Stereochemistry Of Polymers
5. . Biodegradable Polymers
6. . Biopolymers & Biomaterials
7. . Polymer Engineering
8. . Polymers For Emerging Technologies
9. . Polymerization Catalysis
10. . Applications Of BioPolymers
11. . Bioplastics
12. . Polymer Nanotechnology
13. . Future Market Of Polymers
14. . Polymer Science

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD. Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions. B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

- Publishing of the accepted abstracts in our inordinately indexed journals
- Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.
- Career Guidance Workshops for students and early career researchers
- Opportunity to publish full Manuscripts in our Open Access Journals

Who'd be attending?

Euroscicon Conference on PCOS Conference 2021 Webinar plays we welcome Gynaecologists, Endocrinologists, Obstetrics, Embryologists, Endoscopic Surgeons, Infertility specialists, Gynaecological Oncologists, Researches around the globe to have concentrated reasonable view about the turmoil. PCOS 2020 which displays the fundamental information about the polycystic ovarian syndrome, and it gives a major clean stage to the rising advances what gives a decent opportunity to the understudies to have a propelled learning. The universal regular meet of PCOS changes to happen about the Global data of the polycystic ovarian syndrome by the famous speakers that which gives propelled medicines and the distinctive systems to overcome the confusion. This makes the live gushing for the up and coming and the sprouting specialists and researchers.

Scientific Sessions:

- Polycystic Ovarian Syndrome
- Postnatal Depression
- PCOS and Fertility
- PCOS Advanced Research
- PCOS-Women Health
- Current trends in the treatment of PCOS System
- Endometrial Cancer
- Pregnancy Hypertension
- PCOS Associated Organs
- PCOS & Stem Cell treatment
- In vitro Fertilization
- PCOS & Pregnancy
- Fertility Management & Treatment
- PCOS & Ayurveda
- Fertilization Techniques
- PCOS & Nutrition
- Immunological Approaches of fertility
- Fertility surgery & IVF treatment
- Fertility and Infertility – Women
- PCOS & Obesity
- Drugs in PCOS
- PCO Vs PCOS
- Bariatric Surgery in PCOS
- Epidemiology and Pathophysiology
- Obstetrics and Gynaecology
- Midwifery Nursing

See your work PUBLISHED in one of our related journals

- Gynecology & Obstetrics Open Access
