WELCOME ADDRESS

Dear Attendees,

The Aquaculture & Fisheries 2025 Organizing Committee is absolutely delighted to welcome you to the **3rd International Conference on Aquaculture and Fisheries** which will be held in **January 27-28, 2025** on **Bangkok, Thailand,** where we will be shining a spotlight on *"Marine and Freshwater Aquaculture: Trends and Future Prospects"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Aqua Culture research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities Bangkok, Thailand. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2025 for an experience of a lifetime.

With Regards
Aquaculture & Fisheries 2025
Organizing Committee

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Aquaculture & Fisheries 2025 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Aquaculture & Fisheries 2025 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Aquaculture.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Fisheries.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, Scientists and entrepreneurs

About Conference

3rd International Conference on Aquaculture and Fisheries is among the World's leading Scientific Conference. The two day event on Fisheries will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Aquaculture. To foster the best learning environment we have designed some of the sessions this year for Aquaculture conference which will comprises of 18 major sessions designed to offer comprehensive sessions that address in various fields of Aquaculture.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Aquaculture provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Aquaculture & Fisheries 2025**.

ABOUT CONFERENCE

Who Should Attend?

Aquaculture & Fisheries 2025 Conference website is attracting 56000+ Research Scientists, Students, Academic Faculty, Design Engineers, Mechanical engineers, Industrial engineers, Aerospace engineers Architects, Industrialists, Business Entrepreneurs, Manufacturing Devices Companies philosophers and others engaged in endeavors related to Nano technology innovations research and business.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

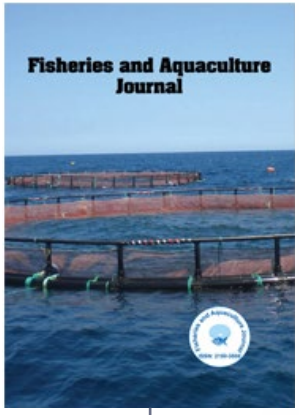

- Sustainable Aquaculture: Innovations and Practices
- Marine Biodiversity: Conservation and Management
- Fisheries Management: Strategies and Technologies
- Ecosystem Services in Aquatic Environments
- Freshwater Fisheries: Current Trends and Future Prospects
- Aquaculture Innovation: Emerging Technologies and Techniques
- Marine Conservation: Challenges and Solutions
- Fish Farming Techniques: Advances and Applications
- Aquatic Ecosystems: Dynamics and Interactions
- Inland Aquaculture: Development and Sustainability
- Marine Aquaculture: Opportunities and Challenges
- Fisheries Technology: Enhancing Efficiency and Productivity
- Aquatic Species: Diversity, Health, and Management
- Ecosystem Health: Indicators and Assessment
- Sustainable Fisheries: Policies and Practices

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Magnus S Magnusson
University of Iceland, Iceland

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

N. Baydogan
Energy Institute, Istanbul, Turkey

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Adiguzel Osman
Firat University, Turkey

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Maria Vorobyeva
JINR, Russia

The conference was well organized and the committee was outstanding in keeping the whole event lively.

John McClellan Marshall
Fourteenth Judicial District of Texas, USA

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Thomas Prevenslik
QED Radiations, Germany

ABOUT BANGKOK

Thailand, country located in the centre of mainland Southeast Asia. Located wholly within the tropics, Thailand encompasses diverse ecosystems, including the hilly forested areas of the northern frontier, the fertile rice fields of the central plains, the broad plateau of the northeast, and the rugged coasts along the narrow southern peninsula. Until the second half of the 20th century, Thailand was primarily an agricultural country, but since the 1960s increasing numbers of people have moved to Bangkok, the capital, and to other cities. Although the greater Bangkok metropolitan area remains the preeminent urban centre in the country, there are other sizable cities, such as Chiang Mai in the north, Nakhon Ratchasima (Khorat), Khon Kaen, and Udon Thani in the northeast, Pattaya in the southeast, and Hat Yai in the far south. Siam, as Thailand was officially called until 1939, was never brought under European colonial domination. Independent Siam was ruled by an absolute monarchy until a revolution there in 1932. Since that time, Thailand has been a constitutional monarchy, and all subsequent constitutions have provided for an elected parliament. Political authority, however, has often been held by the military, which has taken power through coups. During the last two decades of the 20th century and the first decade of the 21st, parliamentary democracy steadily gained wider popular support. Although a crisis emerged in 2006, when the military, aligned with the monarchy, overthrew an elected government, new parliamentary elections were held—as promised by the interim government in 2007. Thailand, which has about the same land area as Spain or France, consists of two broad geographic areas: a larger main section in the north and a smaller peninsular extension in the south. The main body of the country is surrounded by Myanmar (Burma) to the west, Laos to the north and east, Cambodia to the southeast, and the Gulf of Thailand to the south.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
Contact.Chris@theannualmeet.com

Academic

Speaker Registration: € 599
Delegate Registration: € 549
Package A (Registration + 2 Nights of Accommodation): € 999
Package B (Registration + 3 Nights of Accommodation): € 1199

Business

Speaker Registration: € 699
Deleagte Registration: € 649
Package A (Registration + 2 Nights of Accommodation): € 1099
Package B (Registration + 3 Nights of Accommodation): € 1299

Student

Student Delegate: € 349
Young Researcher Forum: € 449

Important Dates

Abstract submission opens: September 21, 2024
Registration opens: September 21, 2024
On spot registration: January 27, 2025

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access
