About Paris

Paris, the 'City of Art and Lights' attracts around 23.6 million visitors a year who witness its eye catching beauty, besides providing a global platform for business. France, being the fifth largest economy in the world, follows the trend of people suffering from the top lifestyle diseases like cancer, neuropsychiatric conditions, cardiovascular diseases and diabetes. So, Meetings Int. invites you to attend this conference in the beautiful city of Paris to share your knowledge and experience and to unveil the current advancement in the field.
