Paris Attractions

Explore Paris

Paris, France's capital is a major European city and a global centre for art, fashion, gastronomy and culture. Its 19th-century cityscape is crisscrossed by wide boulevards and the River Seine. The French historic, political and economic capital, with a population of only 2.5 million is located in the northern part of France, the city is divided into 20 "arrondissements" (districts) which are numbered 1 to 20. The river Seine divides the city into the Rive Gauche on the south and the Rive Droite on the north banks of the river. The streets where made much wider, places and squares where built and the buildings completely rebuilt. The atmosphere was totally transformed, space and perspective being main ingredient such as you can see on the Avenue des Champs-Elysees, whilst preserving historical buildings such as Notre Dame.
